WELCOME TO THE BIKE IT

2021 OFF - ROAD

CATALOGUE

This season we have separated our extensive ranges across three separate catalogues, ROAD PARTS & SERVICING, ROAD ACCESSORIES & APPAREL, and OFF ROAD.

Our commitment to you – delivering quality motorcycle accessories and excellent service.

With a history in the motorcycle industry now spanning five decades, Bike It has grown and developed into one of the UK and Europe's leading trade distribution businesses, delivering products that have established and enabled both motorcycle dealers and online retailers to flourish in this challenging industry.

Bike It's portfolio of general rider accessories and universal motorcycle products has further extended under in-house brands including ***Airblade / Armadillo / Armstrong / Biketek / GP-PRO / Mammoth / ProAir / Triple-S / Viper***. The Bike It portfolio is being used also as the selling platform by many brand partners looking for efficient and successful routes to market for their own products. In 2021 Bike It are pleased to include within our brand partnerships; ***Airoh / AP Racing / Bananaz / Battery Tender / Dainese / Dynavolt / EzGo / Foggy / GSB / Intact Batteries / Just1 / Koyo / Liqui Moly / Midland / MotoGP / NGK / NTN / ProClean / Rema TipTop / SHOT / SkyRich / Swift / Tirox / TruTension / Twiins***.

Operating from a head office and 100,000 sq.ft distribution centre in Southampton, Bike It's customer network spreads across the UK served by a committed team of Field-Account Managers and in excess of 60 sales agents across Europe.

Our revamped B2B WEBSITE www.bikeittrade.com has been specifically developed for our dealer network to simplify product selection and increase order efficiency. With more than 15,000 SKU's and 30 brands, the B2B site makes the full and latest Bike It product range easily viewable and accessible to our customers, creating a resource which dealers can use daily to quickly identify product, build baskets and submit orders efficiently.

Product categorization has been fully restructured and simplified between ***ROAD*** and ***OFFROAD*** products, also by ***SERVICING PARTS*** and ***ACCESSORIES***, making navigation around the site simpler and more effective.

Utilising the ***NUMBER PLATE LOOKUP*** and ***VEHICLE SELECTION*** functions, dealers can speedily find all products relevant to a specific motorcycle, allowing them to prepare for scheduled workshop services and repairs.

With dedicated Downloads and News & Reviews areas, our dealers can keep fully updated on new products and updates as they are released. Ask your Account Manager today for a presentation and demonstration.

There are inventions which, without necessarily revolutionizing our life, make it much simpler. This is the case with AIRFLAPS.

Who has never been in a situation of needing to ventilate his goggle, to evacuate the fog or dry his foam dripping with sweat, without having the time to stop or taking the risk of removing it? AIRFLAPS meets this need in a simple and effective way with a universal product that suits all helmet/goggle combinations.

Easy to stick in a few minutes, the device requires no modification of your helmet.

Already adopted by the world champions **Antonio CAIROLI**, **Steve HOLCOMBE**, **Christophe CHARLIER** and many others, AIRFLAPS will soon become the indispensable link between your goggle and your helmet.

- Airflaps stop and delay the formation of fog during intense riding
- Speeds up the disappearance of the fog
- Reduces the temperature under the helmet
- Eases the face from the goggles pressure
- Dries the perspiration in the goggle foam

RACEGEAR

AEROLITE

PRORIDER GEAR

Created and designed to offer an exceptional riding experience thanks to its preformed cut. The aerolite gear was fine tuned with the collaboration of the world's best riders. The technical materials offer the lightness, resistance and optimal ventilation for the best riding experience.

Jersey Features:

- Performance fit for maximum flexibility
- Sport finishing collar
- Tailored sleeves
- Strategic vented mesh panels for an optimum airflow
- Comfortable hem cuff finish
- Longer tail to keep the jersey in position
- Signature TPR
- Never fading color sublimation process

Pant Features:

- Performance pre-curved fit for an intuitive racing position
- Chassis in stretch-armored fabric providing flexibility and lightness reinforced in Dobby on the frictions areas
- Foam reinforcement on the knees
- Heatproof and abrasion resistant leather panels
- Reinforced rear saddle panel
- Vented inner liner with stretch Lycra back insert
- Silicon waist to keep the jersey in position
- Adjustable micrometric buckle
- Anti-mud zipper
- Shin vented panel
- Never fading color sublimation process
- TPR patch finish

Glove Features:

- Reinforced thumb for a better abrasion resistance
- Stretch vented finger gusset for a perfect fit and an optimal airflow
- Velcro adjustable wrist closure
- Silicon fingers prints for an optimal grip and control
- Comfortable wrist in lycra
- Suede palm, light and resistant
- Never fading color sublimation process

COMMANDER

MASTER & COMMANDER

The market leading Commander ON/OFF all terrain helmet is a true adventure model, adapting to every riding environment and offering multiple modes by removing the peak and/or visor.

- Duo-Sport mode – with peak and visor
- Off Road mode – without visor
- Road mode – without peak

Choose your route and Commander will adapt to every scenario. Its innovative design lets you easily switch peak and visor combinations to meet the demands of all terrains. Capture your adventure on camera using the unique action camera mounts in all helmet configurations. A beautifully crafted design in 2 shell sizes ensure optimum fitment for all head-shapes, crafted from HPC (High Performance Composite) Pinlock Included, extra-wide visor, integrated Sun Screen. Aerodynamic peak. Removable Stop-Wind, multi-zone ventilation system and hypoallergenic liners. Option to connect Bluetooth communications. Blank-plates included for visor and peak. Unique action camera mounts for use with and without peak.

WHY MAMMOTH SECURITY USES **SOLD SECURE**

Sold Secure – Tested To Reduce Crime

Sold Secure is the test house of choice for security products, a subsidiary of the MLA (Master Locksmiths Association) and recognized as the authoritative body in the UK by the Police, Home Office and BSI.

Sold Secure has a single level of Motorcycle Security Approval (Gold) and two levels of Motor Scooter security (Gold & Silver). Using a toolkit based on insurance and police information, the motorcycle is proven safe from the average thief.

This selection of Mammoth products have been tested to Sold Secure Motorcycle Gold status to offer the user recognized security quality and coverage. Insurance companies may also offer premium discounts for use of Sold Secure Approval products.

SPEED SHOOTER

(for increased performance). Increases acceleration Improves engine performance. Promotes optimum combustion. Residue-free combustion. For 4-stroke and 2-stroke engines. One 80ml Shooter is sufficient for 10L of fuel. Recommended use at every refuelling.

Order Code	Description
LQM3823	24pcs tray

4T SHOOTER

(for improved economy). Fuel system cleaner Optimises engine performance. Improves fuel economy. Reduces emissions. Corrosion protection. Suitable for carb and fuel injected engines. For 4-stroke engines. One 80ml Shooter is sufficient for 5-10L of fuel. Recommended use at every refuelling

Order Code	Description
LQM3824	24pcs tray

ENGINE FLUSH SHOOTER

(for enhanced engine life). Oil circuit flush and clean. Restores engine performance. Thorough engine cleansing. Promotes longer engine life. Will not harm seals or gaskets. Safe for catalytic converters. For 4-stroke engines. Use between oil changes.

Order Code	Description
LQM3028	24pcs tray
LQM1657	250ml

SPEED ADDITIVE

State-of-the-art, ash-free combination of agents with acceleration-enhancing, cleaning, dispersing and material-protecting properties. The product has been formulated using state-of-the-art additive and fuel technologies in accordance with the requirements of today's engines, fuels and running conditions. Ensures increased driving enjoyment due to optimized performance. The engine starts easier and also runs smoother.

Intended use.

Added to the fuel of all 4-stroke and 2-stroke gasoline engines.

Order Code	Description
LQM3040	150ml

4T BIKE-ADDITIVE

Increases engine performance. Removes deposits in the fuel system, on valves, spark plugs and in the combustion chamber and prevents renewed formation. This also reduces fuel consumption. Protects the entire fuel system from corrosion. Prevents carburetor icing. Cat tested.

Intended use.

Add to fuel in all 4-cycle engines (carburetor and injection system). 125 ml sufficient for 15 to 20L fuel. Add every time you fill up.

Order Code	Description
LQM1581	125ml

2T BIKE-ADDITIVE

Increases engine performance. Removes deposits in the fuel system and on intake and exhaust ports and prevents new formation. Protects the entire fuel system from corrosion. Cat tested. Clean engines need less fuel and reduce emissions.

Intended use.

For all 2-cycle engines with mixed or separate lubrication. One filling with the dispenser (25 ml) is sufficient for 5L fuel or fuel mixture.

Order Code	Description
LQM1582	250ml

FULLY SYNTHETIC OFF ROAD RACE OIL

Fully synthetic high-performance motor oil. Ensures maximum performance and protection of the engine under all operating conditions. Optimum lubrication, outstanding engine cleanliness, excellent friction and minimum wear. That makes a big difference to driving enjoyment!. Tested on racing machines.

Intended use

Specially developed for air and water-cooled 4-stroke engines exposed to extreme loads off-road. For sporting applications. Suitable for Enduro and motocross motorbikes, quads, SxS and snowmobiles with and without a wet clutch.

OIL ADDITIVE MoS2 SHOOTER

(for increased performance). Reduces friction and wear, thereby lowering oil and fuel consumption. Increases the engine's running smoothness and reduces malfunctions.

Order Code	Description
LQM3444	20ml Tube

OIL 4 STROKE - SEMI SYNTH -ATV - 5W-50

High-performance motor oil based on synthetic technology. Ensures maximum performance and protection of the engine under all operating conditions. Optimum lubrication, outstanding engine cleanliness, excellent friction and minimum wear. Tested on engines with catalytic converters.

Intended use.

Specially developed for air and water-cooled 4-stroke engines exposed to extreme loads off-road. For sporting applications. Specially developed for ATVs (All Terrain Vehicles), quads with or without a wet clutch.

Specifications and approvals.

JASO MA2 ; API SL

Order Code	Description
LQM20737	1L
LQM20738	4L

OIL 4 STROKE - SEMI SYNTH -ATV - 10W-40

High-performance motor oil based on synthetic technology. Ensures maximum performance and protection of the engine under all operating conditions. Optimum lubrication, outstanding engine cleanliness, excellent friction and minimum wear. Tested on engines with catalytic converters.

Intended use.

Specially developed for air and water-cooled 4-stroke engines exposed to extreme loads off-road. For sporting applications. Specially developed for ATVs (All Terrain Vehicles), quads with or without a wet clutch.

Specifications and approvals.

JASO MA2 ; API SL

Order Code	Description
LQM3013	1L
LQM3014	4L

GEAR OIL MINERAL 80W-90

High-performance high-pressure gear oil made from carefully selected base oils and multipurpose additives. For universal use in all types of motorbike engine according to API classification GL 4.

Specifications and approvals

API GL4

Order Code	Description
LQM3821	1L

GEAR OIL FULL SYNTH 75W-90

High-performance high-pressure transmission oil made from high-grade synthetic base oils and additives. Complies with performance class API GL5. Has excellent wear protection properties and ideal viscosity-temperature behavior.

Specifications and approvals

API GL5 ; MIL-L 2105 C ; MIL-L 2105 D

Order Code	Description
LQM1516	500ml
LQM3825	1L
LQM3826	20L
LQM3827	60L

GEAR OIL MINERAL GL4 80W

High-Performance high-pressure gear oil made from carefully selected base oils and multifunctional additives. The oil can therefore be used in a wide range of transmissions and drives.

Specifications and approvals

API GL4 ; MIL-L 2105

Order Code	Description
LQM1617	500ml

FORK OIL 5W LIGHT

Full synthetic fork oil and shock-absorber oil. Reduces shear losses and provides sure handling performance even after long use. Prevents foam formation and seal hardening. Good corrosion and wear protection provide long service life.

Intended use

Can be used universally in telescopic forks, shock absorbers in motorcycles, motor bicycles, mopeds and other two-wheeled vehicles.

Order Code	Description
LQM1523	500ml
LQM2716	1L
LQM1623	5L
LQM3016	20L

FORK OIL 7.5W MEDIUM/LIGHT

Has been developed for universal use. Special synthetic base oils and corresponding additives guarantee optimum drivability and damping.

Intended use

Can be used universally in telescopic forks, shock absorbers in motorcycles, motor bicycles, mopeds and other two-wheeled vehicles.

Order Code	Description
LQM3099	500ml
LQM2719	1L
LQM3017	20L

SHOCK OIL - FULLY SYNTH - VS RACE

Fully synthetic shock absorber oil. Prevents the build-up of deposits and reduces friction and wear. Suppresses foaming even under the toughest operating conditions.

Intended use.

Universal use in shock absorbers on motorbikes, mopeds, motor-assisted bicycles and other two-wheelers in the racing sector.

Order Code	Description
LQM20972	1L
LQM20973	20L

FORK OIL 10W MEDIUM

Full synthetic fork oil and shock-absorber oil. Reduces shear losses and provides sure handling performance even after long use. Prevents foam formation and seal hardening. Good corrosion and wear protection provide long service life.

Intended use

Can be used universally in telescopic forks, shock absorbers in motorcycles, motor bicycles, mopeds and other two-wheeled vehicles.

Order Code	Description
LQM1506	500ml
LQM2715	1L
LQM1606	5L
LQM3828	20L

FORK OIL 15W HEAVY

Full synthetic fork oil and shock-absorber oil. Reduces shear losses and provides sure handling performance even after long use. Prevents foam formation and seal hardening. Good corrosion and wear protection provide long service life.

Intended use

Can be used universally in telescopic forks, shock absorbers in motorcycles, motor bicycles, mopeds and other two-wheeled vehicles.

Order Code	Description
LQM1524	500ml
LQM2717	1L

SHOCK OIL - MINERAL

Mineral shock absorber oil. Prevents the build-up of deposits and reduces friction and wear. Suppresses foaming even under the toughest operating conditions.

Intended use.

Universal use in shock absorbers on motorbikes, mopeds, motor-assisted bicycles and other two-wheelers in the racing sector.

Order Code	Description
LQM20960	1L
LQM20961	20L

CHAIN & BRAKE CLEANER

Specially developed cleaner with selected solvent combinations for fast, easy cleaning and degreasing structural parts in the two-wheel sector.

Intended use.

For cleaning chains with and without O/X-rings on two-wheeled vehicles and quads.

Order Code	Description
LQM1602	500ml

CHAIN LUBE

Fully synthetic chain grease. Extremely adhesive and water resistant. Excellent creeping and lubrication behavior. Especially suitable for high-speed chains. Reduces chain elongation and provides long chain service life. Optimal effectiveness only with unmixed use.

Intended use.

Initial and maintenance lubrication of power train chains. For highly-stressed and high-speed chains with and without O-rings.

Order Code	Description
LQM1508	250ml

CHAIN LUBE WHITE

White, full synthetic special grease. For optimal lubrication through visible application on the chain. Cold, heat and spray resistant. Reduces chain elongation and extends the service life of the chain. **The 50ml can can be refilled with the 400ml can.**

Intended use.

For cleaning chains with and without O/X-rings on two-wheeled vehicles and quads.

Order Code	Description
LQM1592	50ml
LQM1591	400ml

FOAM FILTER OIL

Special oil for wetting foam air filters. Thanks to the outstanding adhesive properties of the liquid, sand and dust are reliably trapped in the filter, preventing greater wear on the engine. Water-repellent effect. Does not resinify or foam.

Intended use.

Suitable for use on all two-stroke and four-stroke motorbikes using foam air filters.

Order Code	Description
LQM1625	500ml
LQM3096	1L

FOAM FILTER SPRAY

Specially developed aerosol for wetting foam and fabric air filters. Guarantees an optimum air flow and thereby maximum engine performance.

Intended use.

Suitable for use on all two-stroke and four-stroke motorbikes with air or water-cooled engines using foam air filters.

Order Code	Description
LQM1604	400ml

FOAM FILTER CLEANER

Specially formulated water-miscible air filter cleaning concentrate. Offers outstanding cleaning properties, has high capacity and is economical to use. Gently detaches dust, oil and grease without damaging the foam pores. Solvent-free and biodegradable.

Intended use.

Suitable for all standard foam air filters in 2 and 4-wheel vehicles. **1L bottle will make 6L to 11L**

Order Code	Description
LQM1299	1L

BRAKE FLUID RACE - DOT 4

Synthetic brake fluid for extreme operating conditions. It contains inhibitors to prevent the corrosion of metallic brake components and to reduce oxidation at increased temperatures. The brake fluid has an excellent wet and dry boiling point, thus ensuring safe braking even after the absorption of some moisture over an extended period of use. Special additives prevent the premature build-up of vapor bubbles.

Specifications and approvals.

FMVSS 116 DOT 4 ; ISO 4925 Class 4 ; SAE J 1703 ; SAE J 1704

Order Code	Description
LQM3679	250ml

BRAKE FLUID - DOT 4

Synthetic brake fluid based on glycol ethers, alkyl poly glycols and glycol ether esters. It contains inhibitors to prevent the corrosion of metallic brake components and to reduce oxidation at increased temperatures. The brake fluid has a high wet and dry boiling point. Special moisture scavengers help to prevent against the formation of steam bubbles.

Intended use.

Ideally suited to use with all disk and drum brake systems, The brake fluid is also ideally suited to use in ABS brake systems.

Order Code	Description
LQM3085	500ml

BRAKE FLUID - DOT 4

Synthetic brake fluid based on glycol ethers, alkyl poly glycols and glycol ether esters. It contains inhibitors to prevent the corrosion of metallic brake components and to reduce oxidation at increased temperatures. The brake fluid has a high wet and dry boiling point. Special moisture scavengers help to prevent against the formation of steam bubbles.

Intended use.

Ideally suited to use with all disk and drum brake systems, The brake fluid is also ideally suited to use in ABS brake systems.

Order Code	Description
LQM3091	250ml
LQM3093	500ml

BRAKE FLUID DOT 5.1

Synthetic brake fluid based on glycol ethers, alkyl poly glycols and glycol ether esters. It contains inhibitors to prevent the corrosion of metallic brake components and to reduce oxidation at increased temperatures. The brake fluid has a high wet and dry boiling point. Special moisture scavengers help to prevent against the formation of steam bubbles.

Specifications and approvals.

FMVSS 116 DOT 5.1 ; FMVSS 116 DOT 4 ; FMVSS 116 DOT 3 ; ISO 4925 Class 5 ; ISO 4925 Class 4 ; ISO 4925 Class 3 ; SAE J 1704 ; SAE J 1703

Order Code	Description
LQM3092	250ml

LM48 - INSTALLATION PASTE

High-performance tungsten disulfide paste for heavy-duty applications. Rubbed into bearings and slide guides, prevents running-in damage and seizing marks when pressing in pins and bearing bushes and mounting plain bearing rings. For basic lubrication and lifetime lubrication of joints and small components. Contains a synergistically active solid lubricant system with a zinc sulfide, graphite, fluorides and tungsten disulfide base. Operating temperature range: -35 °C to +450 °C

Intended use.

For assembly, repair and maintenance.

Order Code	Description
LQM3010	50g

LM47 - LONG-LIFE GREASE + MOS2

High-grade special grease. The MoS2 content provides the selected base grease with outstanding lubricity and high-performance properties that normal grease simply does not have. During operation, a permanently adhering, ultra-thin molybdenum disulfide film forms at the sliding surfaces. This film retains its lubrication properties for a long time even after the grease supply completely fails. Operating temperature range: -35 °C to +450 °C

Intended use.

For assembly, repair and maintenance.

Order Code	Description
LQM3510	50g

COOLANT READY MIX - RAF12 PLUS

Ready-to-use mixture based on ethylene glycol featuring a sophisticated inhibitor package (OAT technology) developed specifically for advanced aluminium high-performance engines. The product is free from amines, nitrites, phosphates and silicate and provides superior protection against freezing, corrosion and overheating. This results in reliable vehicle operation throughout the entire year.

Intended use.

Used for all cooling systems and engines, particularly aluminum high-performance engines in passenger cars, motorcycles, commercial vehicles, agricultural machines as well as stationary engines and equipment that require cooling system protection of this quality.

Order Code	Description
LQM6924	1L
LQM8810	5L
LQM8811	20L
LQM8812	200L

RADIATOR CLEANER

Concentrate for cleaning coolant circuits. Deposits in the cooling/heating system create blockages for heat exchange and also block thermostat valves and control mechanisms. Removes deposits containing oil and limescale. Does not contain aggressive acids or alkalis.

Intended use.

Suitable for all coolant circuits. Compatible with all conventional coolant additives and antifreezes.

Order Code	Description
LQM3042	150ml

RADIATOR SEALANT

Dispersion for sealing leaks in coolant circuits. The product reliably seals hairline cracks and small leaks. Can be used preventively when repair work has been carried out on the cooling system. The solids dispersion is stabilized in carrier fluid.

Intended use.

For sealing minor leaks in coolant systems with and without coolant filter. Also suitable for aluminium and plastic radiators.

Order Code	Description
LQM3043	125ml

GLOSS SPRAY WAX

Wax with good cleaning action and outstanding luster. Slight road dirt and greasy soiling are easily and quickly removed without causing scratching. The super-easy polishing (like wiping off dust) produces a smooth finish with high gloss and very good color depth on all paints and dye types.

Intended use.

For outstanding paintwork care for intermediate use. Optimum sealing properties for paint surfaces to protect against the weather.

Order Code	Description
LQM3039	400ml

MULTI-SPRAY

Lubricates, loosens rust, protects and maintains the motorcycle. Keeps movable parts like Bowden cables permanently free. Loosens stubborn, rusted-in screws. Protects the entire electrical system. Prevents squeaking noises. Protects against corrosion and maintains rubber parts. With outstanding creep properties.

Intended use.

The outstanding and versatile attributes provide a wide range of applications in the workshop, in motor vehicles and in the two-wheeled sector.

Order Code	Description
LQM1513	200ml

BIKE WASH CLEANER

Cleaning fluid which has been specially developed for motorbikes and bicycles and is free of environmentally harmful solvents.

Intended use

For cleaning motorbikes, bicycles and scooters etc.

Order Code	Description
LQM1509	1L
LQM3037	5L
LQM3038	20L

HELMET INTERIOR CLEANER

Cleans gently and thoroughly. Removes bacteria and provides a pleasant, fresh scent. The protective film prevents dirt from accumulating quickly.

Intended use.

Gentle and thorough cleaning of helmets, helmet upholstery, visors, trims, etc.

Order Code	Description
LQM1603	300ml

LIQUIMOLY MANUAL PUMP DISPENSER + DRAIN COCK

Manual pump dispenser. For 60L and 205L drums. Plastic hand pump for drums with polypropylene telescope immersion pipe. Adjustable from 480 to 950 mm.

Drain cock. Suitable for all LIQUI MOLY canisters in 20 liter container size with ventilation and thread DIN 61. Drain cock without ventilation.

Order Code	Description
LQM7932	60L / 205L
LQM7924	20L

LQM7924

LQM7932

TIRE INFLATOR AND SEALER

Seals flat tires and pumps them back up. After a repair. For all tire types with and without tubes. Do not use if the tube is torn or if the tire has slipped off the rim or if the outer cover has a lateral tear! **IMPORTANT:** Tire pressure monitoring systems in tires can be destroyed by the solvents contained in the product.

Intended use.

For all tire sizes with and without tubes for initial aid and roadside assistance.

Order Code	Description
LQM1579	300ml

OIL GUIDE APPLICATION CATALOGUE

Fully comprehensive introduction of the Liqui Moly ranges complete with product application by motorcycle listing

Order Code: **LQM8769**

OIL CHANGE REMINDER STICKER - 5PCS

Simple and effective vehicle sticker for logging oil change date

Order Code: **LQM50851**

CHAIN MONKEY

Chain Monkey is the world's first tool designed to help you set the tension on your motorcycle's drive chain. The task of tensioning a chain can be a tedious and time consuming task, especially on motorcycles. But not anymore.

By using Chain Monkey, anyone can set their chain tension quickly, easily and with minimal knowledge required. From new riders through to experienced mechanics.

Order Code	Description
TRU001	Single Unit
TRUBOM04	Pack of 5 Units with countertop display

PREMIUM DETAILER

Designed specifically for motorcycle paintwork and plastics. Water based quick detailer providing a deep colour and shine. Non-streaking formulation. The perfect finishing quick detailer to set your bike off. Protects and reduces future dirt build up

Order Code: **TRU025**

LASER MONKEY

Laser Monkey by Tru-Tension is an innovative laser alignment tool designed to ensure precise and quick setting of the drive wheel on a motorcycle. Ensuring your wheel is aligned accurately now couldn't be simpler!

The unique Laser Monkey design uses the sprocket or pulley of the motorcycle to send a laser directly down the centre of the chain/belt, ensuring fast and easy wheel alignment. Precise alignment of the wheel ensures prolonged life of moving components to save you money, coupled with improved handling characteristics and optimised power delivery. Simply adjust the rear wheel until the laser is aligned with the centre of the front sprocket and your wheel will be aligned with precision.

Order Code: **TRU018**

SNOW FOAM 1 LITRE

A thick foam specifically designed for motorcycles. Designed for use with pressure washer lances. Banana infused fragrance. Loosens off road dirt and road grime safely. Wax friendly and suitable for regular use

Order Code: **TRU028**

TUNGSTEN PREMIUM CHAIN WAX 500ML

Designed for off road/ MX, high mileage and commuting bikes. Tungsten is a supremely slippery compound which reduces friction. World first Tungsten formulation for superior performance. Dual viscosity formulation for immediate penetration and hard setting. Higher temperature range to significantly reduce fling. Wax based formulation and a fresh banana fragrance

Order Code: **TRU026**

TUNGSTEN PREMIUM DRY CHAIN LUBE 500ML

Tungsten is a supremely slippery compound which reduces friction. World first Tungsten formulation for premium performance. Dual viscosity formulation for immediate penetration and hard setting. Higher temperature range to significantly reduce fling. Transparent so no mess & a fresh banana fragrance

Order Code: **TRU027**

CHAIN LUBE 500ML

Our BananaSlip Chain Lube has been specifically formulated to perform exceptionally well under intense use in all weather conditions, while providing long lasting protection.

Upon application it penetrates deep into all parts of the chain to give optimum coverage.

Order Code: **TRU003**

CHAIN WAX 500ML

BananaSlip anti-fling PTFE Chain Wax is perfect for motorcycle and motorsport chains that will experience prolonged cycles and high impact environmental conditions.

Our unique formulation penetrates deep into the links of the chain before drying externally to leave a protective layer against water and dirt.

Order Code: **TRU004**

CHAIN CLEANER 500ML

PrimeShine Chain Cleaner is perfectly formulated to lift tough, built up dirt and grime from your chain.

Perfect for removing grease and oil, it leaves your chain looking new again while protecting against contaminants and corrosion. Suitable for standard O, X and Z-Ring chains

Order Code: **TRU006**

TT78 MULTI-USE SPRAY 500ML

The ultimate cleaning and lubricating spray for motorcycles. TT78 is the all in one spray explicitly designed to clean and protect motorcycle parts while leaving a high gloss finish. TT78 is perfect for cleaning and lubricating nearly all parts of the motorcycle while providing a moisture repellent and rust preventative layer..

Order Code: **TRU007**

BRAKE CLEANER 500ML

Our specially formulated Brake Cleaner is designed to rapidly remove dirt, dust, carbon and oil build up on all braking components, leaving you with the optimum braking performance for your motorcycle. Its quick dry action allows you just enough time to wipe away any residual dirt for prime stopping power.

Order Code: **TRU008**

CARB CLEANER 500ML

PrimeShine Carb Cleaner has been perfectly designed to penetrate all parts of the carburetor or injector to quickly and efficiently remove grime and contaminants.

Order Code: **TRU009**

BODYWORK FOAM CLEANER 500ML

PrimeShine Bodywork Foam Cleaner has been developed by Tru-Tension for quick and easy cleaning, leaving a polished shimmering shine. Our all in one instant action foam cleaner soaks into the dirt, lifting it away, and with added polish it's a one-step deep cleaner.

Order Code: **TRU005**

MUCK MONKEY - CHAIN BRUSH

PrimeShine Bodywork Foam Cleaner has been developed by Tru-Tension for quick and easy cleaning, leaving a polished shimmering shine. Our all in one instant action foam cleaner soaks into the dirt, lifting it away, and with added polish it's a one-step deep cleaner.

Order Code: **TRU010**

MONKEY JUICE GEL BIKE CLEANER

Using 'MicroFoam Technology' Monkey Juice Gel is a bike cleaner like no other. This specifically formulated degreaser is designed to instantly lift and remove stubborn dirt and grime generated from riding. Our applied MicroFoam science uses microscopic foam generated by our industry leading formulation to quickly and effortlessly remove dirt in all conditions.

Order Code	Description
TRU022	1L Single Unit
TRUBOM06	Outer Carton 6pcs

TRU TENSION AEROSOL PACK

Formulated by the experts at Tru-Tension, the range of BananaSlip lubricants and PrimeShine cleaners provide a range of products for keeping motorcycles in optimum operating condition. Tru-Tension is an innovative manufacturer of tools and care products designed for the motorcycling and motorsport industry. Their unique tools and lubricants transform the way in which riders and mechanics conduct the important task of drivetrain maintenance.

Each pack contains four units each of (all 500ml aerosols)

- BananaSlip Chain Lube
- BananaSlip Chain Wax
- PrimeShine Bodywork Foam Cleaner
- PrimeShine Chain Cleaner
- PrimeShine TT78 Multi-Use Spray
- PrimeShine Motorcycle Brake Cleaner
- PrimeShine Motorcycle Carb Cleaner

Order Code: **TRUBOM03**

MONKEY JUICE GEL BIKE CLEANER CONCENTRATE REFILL SACHET

Handy sized Monkey Juice Gel Bike Cleaner concentrate refill sachet - save money and plastic! Useable with any spray bottle, simply add 100ml of concentrate to 800ml of water and rotate bottle until mixed, wait 3 minutes to settle and then clean away!

Order Code	Description
TRU023	100ml Single Unit
TRUBOM07	Outer Carton 48pcs

ULTIMATE CHAIN CARE BUNDLE

Perfect equipment to clean, set and maintain your motorcycle's drive chain. The Chain Monkey bundle gives you the perfect equipment to clean, set and maintain your motorcycle's drive chain. Remove all the existing dirt, grease and grime before precisely setting and lubricating your chain to provide long lasting protection and increased life of moving components. PrimeShine Chain Cleaner and Muck Monkey are perfectly couple to breakdown and remove dirt build up to leave your chain looking like new, ready for a fresh application of lubricant. Use the Chain Monkey to precisely set your motorcycles chain to not only save time, but eliminate the need for countless adjustments and measurements. Perfect for all road and off-road motorcycles and designed to fit all chain sizes. BananaSlip Chain Lube is the perfect choice to provide long lasting chain lubrication with enhanced performance and a fresh banana fragrance. Choose the perfect lubricant for your riding style to ensure enduring protection and weather resistance.

- Perfect equipment to clean, set and maintain drive chains
- Remove all existing dirt, grease and grime
- Precisely set the chain for optimum performance
- Lubricate the chain for long lasting protection and increased component life

Order Code: **TRU014**

CHAIN CLEAN & LUBE BUNDLE

Perfect equipment to clean, set and maintain your motorcycle's drive chain. The Chain Clean & Lube Bundle provides you with the perfect equipment to clean and maintain your motorcycle's drive chain. Removing all the existing dirt, grease and grime before effectively lubricating your chain to provide long lasting protection and increased chain life. PrimeShine Chain Cleaner and Muck Monkey are perfectly coupled to breakdown and remove dirt build up to leave your chain looking like new, ready for a fresh application of lubricant. BananaSlip Chain Lube is the perfect choice to provide long lasting chain lubrication with enhanced performance and a fresh banana fragrance.

- Perfect equipment to clean, set and maintain drive chains
- Remove all existing dirt, grease and grime
- Lubricate the chain for long lasting protection and increased component life

Order Code: **TRU012**

MEGA TOOL BUNDLE

The pinnacle bundle combination for precision chain tension and wheel alignment.

Load your Chain Monkey onto the chain and set to the setting required for your motorcycle. Clamp your Laser Monkey onto the sprocket and point the laser as far down the chain as possible. Adjust your chain until the laser is showing in the centre of the chain while the slack has just been removed from the chain...and you're done!

The ultimate tool bundle to maximise the output and performance of your motorcycle.

Order Code: **TRU019**

PRO CLEAN

Pro Clean Bike Wash is a unique blend of fully biodegradable chemicals and detergents designed to clean every part of the exterior of your motorcycle. The intelligent chemical formulation releases the correct level of cleaning agents to ensure perfect results every time, whether on a mud covered off road bike or the precious metal and carbon fibre components used on road & race machinery. Pro Clean contains no harmful ingredients and is environmentally friendly. Green in more ways than one!

Order Code	Description
PCNPCL1	1 Litre
PCNPCL5	5 Litre
PCNPCL25	25 Litre

PRO CARE

Pro Clean Pro Care is liquid protection for your motorcycle. Pro Care uses a blend of lubricants and low evaporation penetrating oils which are designed to disperse moisture from places where rust and corrosion may occur leaving a protective layer on all the exterior components. Using Pro Clean Pro Care after washing your motorcycle will leave a defensive shield that not only works as a corrosion inhibitor but also helps prevent dirt adhesion. Must not be used on braking surfaces.

Order Code	Description
PCNPCR1	1 Litre
PCNPCR5	5 Litre
PCNPCR25	25 Litre

PRO FILTER CLEANER

Pro-filter is another favorite and one of our best sellers. Pro-Filter is designed to remove dirt and tacky oil from all types of foam air filters. Simply immerse the dirty filter in the solution and squeeze gently to remove the tacky oil, then wash the filter in a bucket of warm water with a splash of Pro-Clean to remove any remaining dirt or dust, finally dry thoroughly before reusing the filter.

Order Code	Description
PCNPFT1	1 Litre
PCNPFT5	5 Litre

PRO TECTION

Pro Clean Pro-Tection is a completely unique and revolutionary water based corrosion inhibitor. Pro-Tection can be sprayed safely over any surface, and once dry, leaves a micro - thin transparent resistant coating on the treated surface. This coating protects against road salt, rust and the corrosive attacks that the elements can produce. Pro Clean Pro-Tection DOES NOT affect brake discs or other brake components, contains no harmful chemicals and is environmentally friendly.

Order Code	Description
PCNPTN1	1 Litre
PCNPTN5	5 Litre

DE GREASER

Pro Clean De Greaser is a specially balanced and blended formulation, which supplies a powerful, deep penetrating action perfectly designed to remove grease and oil build up on chains, sprockets, spindles, engines etc. Heavily soiled components can be immersed in the Pro Clean De Greaser fluid and left until grunge and grime are completely removed.

Order Code	Description
PCNDGR1	1 Litre
PCNDGR5	5 Litre
PCNDGR25	25 Litre

PRO FILTER CLEANING KIT

Filter kit includes everything you need to clean and prepare foam air filters. Kit contains: 5 ltr Pro Filter cleaner, dirt catching tray, filter prep bucket, heavy duty nitrile gloves all contained in a 20 ltr cleaning bucket.

Foam filter cleaning kit.

Order Code: PCNFK1

CHAIN LUBE

This high performance chain lube is a scientifically developed lubricant designed for all open chains. The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

Clear Polymer Chain Lube.

Order Code	Description
PCNCLA400	Aerosol, 400ml

ANTI-FLING CHAIN LUBE

This high performance chain lube is a scientifically designed for all Open chains as well as O and X ring plus the latest Z ring chains. The formulation of the lubricant allows for the penetration of the inner roller area and prevents throw-off at high speed. Clear polymer chain lube protects against corrosion, reduces power loss and is proven to prolong chain and sprocket life.

High power chain lube.

Order Code	Description
PCNCLA400B	Aerosol, 400ml

DE GREASER

Aerosol De Greaser is a fast acting quick drying cleaner/degreaser specially designed for the fast and easy removal of grease and oil deposits on discs, chains, sprockets, engines etc, when the need to remove grease is immediate. Aerosol degreaser is completely safe on discs and all braking components, leaves no residue and dries instantly.

High power cleaner de greaser.

Order Code	Description
PCNDGA400	Aerosol, 400ml

AIR FILTER OIL

Pro Clean air filter oil is a lubricant uniquely formulated for maintaining foam air filters. Prevents dirt, dust and water from entering and clogging the intake prolonging engine life. Enhances efficiency of air filter resulting in increased performance.

Order Code	Description
PCNAF400	Aerosol, 400ml

CARBURETTOR CLEANER

500ml aerosol spray. Strong solvent dissolves & removes dirt quickly. Powerful jet spray to support cleaning action. Cleans carburettor & intake system without disassembly. Dissolves gum, lacquer & deposits. Use in the air intake system of injection & carburettor petrol engines. Suitable for visible carburettor parts.

Order Code	Description
PCN500PROCLECC	Aerosol, 500ml

BRAKE CLEANER

Pro Clean Brake Cleaner removes the build up of brake pad and lining dust, brake fluid, grease and dirt from all parts of your braking system. The powerful formula cuts through brake grime to ensure you get maximum braking performance.

Order Code	Description
PCN500PROCLEBC	500ml
PCNPBC5L	5L

PRO CLEAN RACE PACK

The Pro Clean race pack is bigger and better than ever before, but keeps it affordable price. Perfect for these who are new to the Pro Clean range, or a great gift to anyone who already uses the products. Kit contains 1ltr Pro Clean, 1ltr Pro Tecton, 500ml Kit Wash, .250ml Tyre Lube, 500ml Hand Scrub, Big Handful Sponge, Brush, Chamois.

Order Code: **PCNRP1MX**

DECAL ADHESIVE REMOVER

Pro-clean decal adhesive remover 1L is designed to remove the tacky residue left on surfaces after the removal of decals, graphics, stickers etc. This product will not harm paint or plastic and is safe to use on most surfaces.

Order Code	Description
PCNPPD1	1L

RADIATOR COOLANT PRO

A high performance coolant developed for all types of motorcycles (including road, off road & quads/ATV). Advanced additives ensure maximum internal component protection and superior resistance to freezing & corrosion. Coolant pro provides compatibility for gaskets, hoses & connections, minimizing wear and tear.

Order Code	Description
SFCOOL1	1L
SFCOOL5	5L

SILCONE BIKE SHINE

Proclean silicone bike shine is the latest addition to the Proclean range. This product is specially formulated to clean, freshen and restore metals, paintwork, plastics, leather, & vinyl leaving a pleasant aroma and a dirt free finish. It also prevents a build up of static and leaves a clean slippery surface with a glossy appearance.

Order Code	Description
PCNPCPS	Aerosol, 400ml

PRO CLEAN GT40

Aerosol 400ml heavy duty maintenance spray is designed to displace and repel moisture from moving parts and electrical apparatus. Helps protect against rust and corrosion, lubricates and releases seized metal components.

Order Code	Description
PCNGT400	Aerosol, 400ml

RED RUBBER GREASE

Pro Clean Red Rubber Grease is a high quality, vegetable oil based and biodegradable grease which is designed to be compatible with synthetic and natural rubber. Pro Clean Red Rubber Grease is an excellent lubricant between rubber components and metal, which will not cause undue swelling or cracking. In addition to this, the grease is also resistant to hydrocarbon liquids such as petrol and diesel, making it a great addition to any workshop.

Order Code	Description
PCNK765	500g

ANTI SEIZE COPPER GREASE

Pro Clean Anti Seize Copper grease prevents seizure to joints and threads. The high quality mineral oils, graphite and copper powder used in this lead free compound, lets the grease to work even when the joint has been highly compressed. By the fine copper particles staying in the threads they prevent seizures and allow easy dismantling/assembly. Furthermore, the grease also provides highly effective anti-seize in wet conditions including winter salting and has an impressive working temperature range of between -30 to 1100 degrees centigrade.

Order Code	Description
PCNK3835	500g

PIPE GEL

The Pro Clean Pipe Gel has been specially designed to remove rust and corrosion from exhaust pipes - making sanding a distant memory. Simply brush on and the gel goes to work straight away dissolving rust and corrosion ready to be wiped off. After vast testing at the Pro Clean workshop, the use of citric acids in the unique formulation proved to be highly beneficial when it came to removing oxidation effects.

Order Code	Description
PCNPG250	250ml

SUPER LUBE

This superior grade maintenance spray is a heavy duty multi purpose spray designed to displace and repel moisture from moving parts and electrical apparatus helps protect against rust and corrosion lubricates and releases seized metal components. Superlube leaves a light protective lubricant film on surfaces ensuring prolonged anti moisture protection.

Order Code	Description
PCNSLA400	Aerosol, 400ml

MOUSSE LUBE

Pro Clean Mousse Lube is a low friction, high heat tolerance mousse lube. Tested Extensively by top Paris-Dakar test riders in Sahara temperatures in excess of 43 degrees Celsius and also used by the top UK GP motocross and Enduro teams with excellent results. If you know how to fit a mousse, you will know how to use the lube.

Order Code	Description
PCNML250	250ml
PCNML25WS	2.5 Litre

TYRE LUBE

This revolutionary tyre fitting gel takes all the effort out of fitting a tyre. Tyre Lube leaves no unsightly paste stains and the tyre slips on quickly and easily. The unique quick drying, non-corrosive formulation is perfectly safe on all types of tyres and rims.

Non-residue, low friction tyre fitting lube.
Tyre lube.....tyre fitting with ease...

Order Code	Description

PDSMX19	Red

BIKETEK PRO H - STAND WITH DAMPER

- Minimal Design
- 'H' Footprint For Stability
- Strong and Durable
- Max Load 150 Kgs
- Non-Slip Rubber Top Keeps Bike Stable
- Integral Damper For Controlled Descent
- Max Height 420mm
- Foot Operated

Order Code: **PDSMX08**

BIKETEK COMP H - STAND

- Minimal Design
- 'H' Footprint For Stability
- Strong and Durable
- Max Load 150 Kgs
- Non-Slip Rubber Top Keeps Bike Stable
- Max Height 435mm
- Min Height 305mm
- Foot Operated

Order Code: **PDSMX06**

BIKETEK COMP STAND

- Heavy duty steel jack stand
- Rubber top mat for increased grip
- Manually operated lifting arm
- Suitable for all off road bike from 60cc to 600cc
- OEM colours
- Max height - 395mm
- Min height - 310mm
- Max load - 160kgs

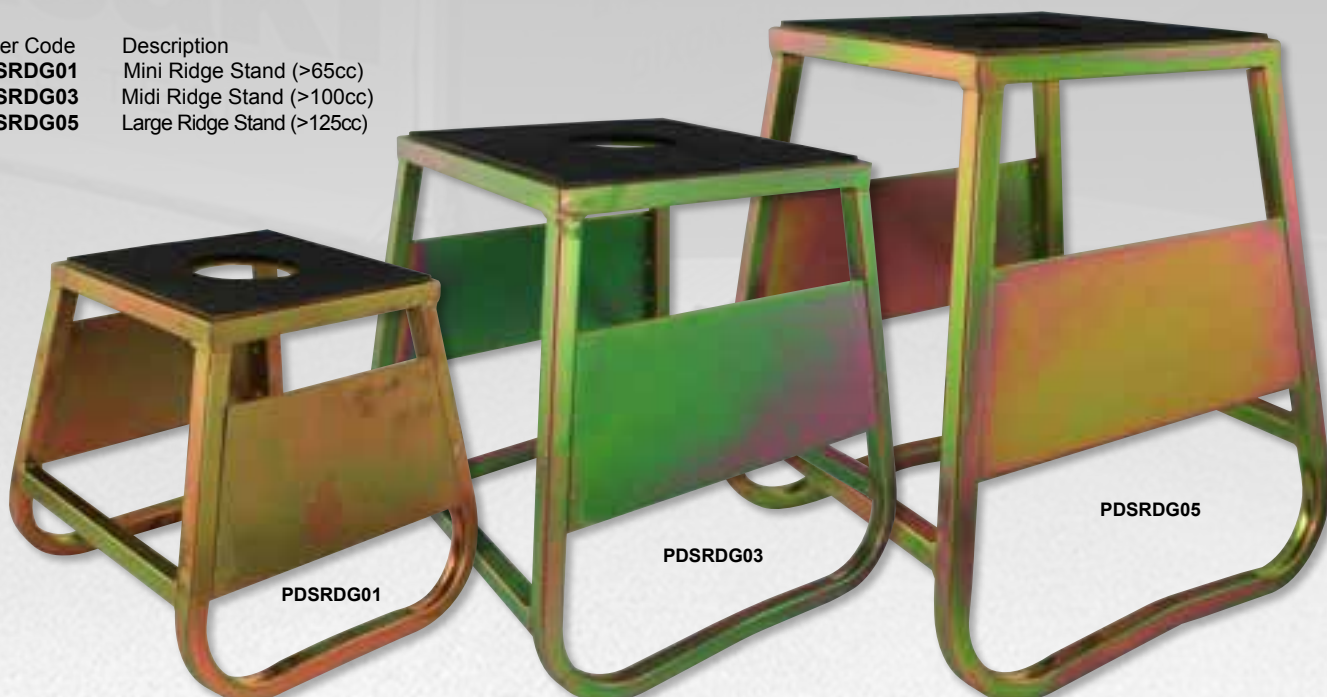

Order Code	Colour
PDSMX14	Black
PDSMX12	Blue
PDSMX11	Orange
PDSMX01	Red

BIKETEK STEEL RIDGE STAND

- Heavy duty zinc plated steel
- Rubber top mat for increased grip
- Anti rock design
- Side graffix boards

Order Code	Description
PDSRDG01	Mini Ridge Stand (>65cc)
PDSRDG03	Midi Ridge Stand (>100cc)
PDSRDG05	Large Ridge Stand (>125cc)

BIKETEK MX FOLDING STAND

Foldable stand for easy storage

With this foldable stand, you will always have room to store it. A rubber coating on the top prevents damage to your bike. Although foldable, the design is sturdy and allows you to easily load up to 200 kg.

The stand is very easy to carry and load, and also quick and easy to set up.

- Max load: 200 kg.
- Dimensions of the loading surface: 150 mm x 240 mm.
- Dimensions: 360 mm x 360 mm x 420 mm.

Order Code: **PDSMX20**

BIKETEK SCISSOR LIFT STAND

- Foot-operated hydraulic ram
- Rubber top mat with access cut-away
- Drop-prevention safety bar
- Screw-type footpeg clamps secure bike
- Lifts from 340mm - 890mm
- Max load 135kgs
- CE approved

Order Code: **PDSMX02**

BIKETEK SCISSOR LIFT STAND

- Foot-operated hydraulic ram
- Rubber top mat with access cut-away
- Drop-prevention safety bar
- Screw-type footpeg clamps secure bike
- Lifts from 340mm - 830mm
- Max load 140kgs

Order Code: **PDSMX09**

SWINGARM STORAGE STANDS

Simple and effective solution to longterm bike storage
Pair of adjustable height jacks
Cup adaptors fit underside of swingarm
Min height 32cm
Max height 40cm

Order Code: **PDSR034**

FRONT WHEEL CHOCK 17"- 21"

- Adjustable
- Fits Wheels Between 17"-21" only
- Lightweight & Compact Design
- Easy To Move & Store

Order Code: **PDSCHK27**

Note: Bike must also be secured using tie-down straps

BIKETEK WHEEL CHOCK

Wheel chock for supporting your front wheel while in transport.

- Clamps front wheel holding bike upright while in storage and transport
- Fully adjustable to fit 12 - 18 inch wheels
- Great For Use With Tie-Downs For Transporting Bikes
- Robust, Simple And Effective Design
- Self-assembly

Order Code: **PDSCHK17**

21" Wheel Adaptor Kit

Replacement support strut converts the Biketek wheel chock to fit wheels up to 21"

Order Code: **PDSCHK19**

WHEEL BRACE

This steel tubing wheel brace bolts into the ground providing a base for motorcycle wheels to be located. Can be fixed in vehicles and on trailers for increased stability in transit, equally suitable bolted on the floor as a parking aid and a security lock point. 160mm width. Fittings not supplied.

Order Code: **PDSCHK21**

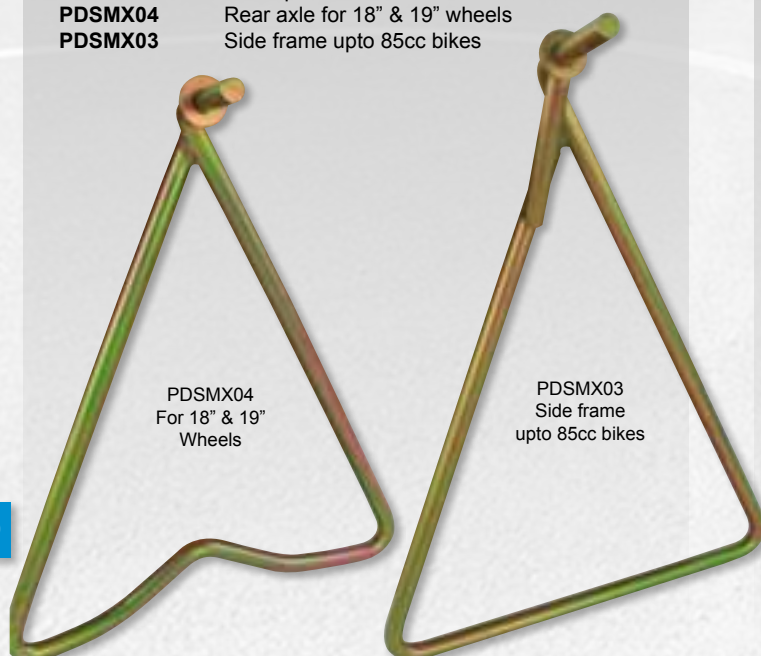

NB: bike must also be secured by tie-down straps,

BIKETEK AXLE STAND

An essential piece of kit for all off-road riders, these sturdy, quality made heavy-duty steel and zinc coated triangle axle stands can accommodate different axle sizes – 18" & 19" wheels and one for the smaller bikes which fits into the side frame. Practical, portable and easy to use.

Order Code:	Description
PDSMX04	Rear axle for 18" & 19" wheels
PDSMX03	Side frame upto 85cc bikes

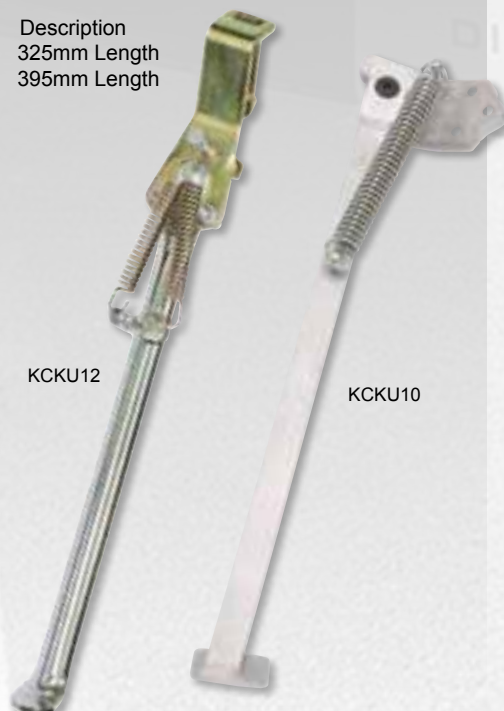

PDSMX04
For 18" & 19"
Wheels

PDSMX03
Side frame
upto 85cc bikes

BIKETEK SIDE KICKSTANDS

Sprung loaded universal side stand ideal as a replacement or for an enduro/road conversion. Universal Bolt on Side Stands are available in two Length's 325mm & 395mm. Sprung Loaded, Fits most off-road motorcycles Simply bolt to swinging arm.

Order Code:	Description
KCKU10	325mm Length
KCKU12	395mm Length

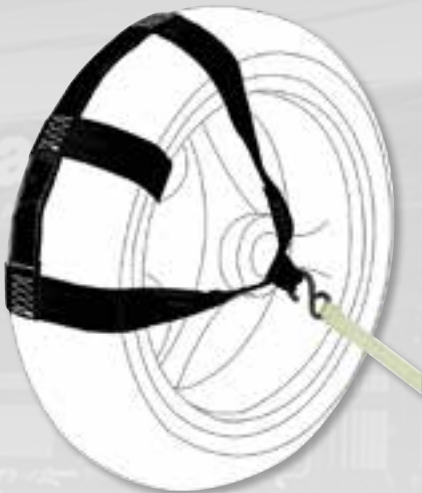

KCKU12

KCKU10

TIEDOWN WHEEL BRACE

Webbing strap brace for motorcycle rear wheel. Unique contour brace section forms over tyre. Stabilising wheel strap. Tie-down connecting loops. Use in vans and on trailers. Requires additional tiedown straps (not supplied)

Order Code: **TIEBRC02**

TIEDOWN TYRE FIX

- Secures bike on trailer or in a van
- Secures motorcycle by rear wheel
- Unique contour brace section forms over tyre stabilising wheel strap
- Eliminates compression of suspension

Order Code: **TIEFIX**

BIKETEK TYRE & WHEEL BAG

- Transit and storage bag for tyres/wheels.
- Suitable for sizes 16"-21"
- Made from robust oxford material
- Features handle for carrying and hanging
- Elasticated seams with velcro closure

Order Code: **TYRB01**

FRONT FORK SUPPORT

Fork supports for use when transporting bike's, prevents over compression of forks when using tiedowns. Available in two size's.

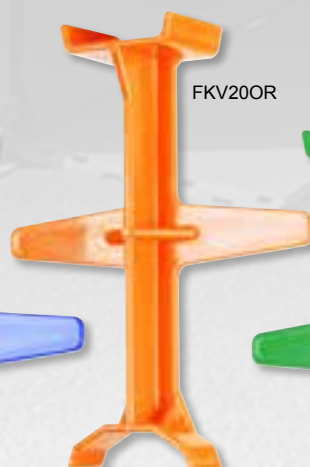

Order Code:	Description
FKV20BU	Standard size fits 85cc big wheel and up

ALUMINIUM BI-FOLD & TRI FOLD LOADING RAMPS

Strong and durable loading ramps, made from lightweight aluminium, enable safe and easy loading and unloading of motorcycles and scooters. Space-saving folding design, allows compact storage when not in use. Features coated extension arms on top end for stability during use. Rigid aluminium box section side rails. Strong aluminium centre plates with cut-outs for tyre grip. Available in three width options. Max load 340kgs/ramp.

Order Code	Type	Width	Length
PDSRAMP06	Bi-folding	200mm	2150mm
PDSRAMP07	Tri-folding	230mm	1935mm
PDSRAMP08	Tri-folding	280mm	1935mm

PDSRAMP07

PDSRAMP06

PDSRAMP08

ALUMINIUM LOADING RAMPS

Constructed from ultra lightweight aluminium, and utilising a unique folding design. Loading Ramps are perfect for loading motorcycles on/off trailers and transport vehicles. Each ramp is 2170mm length when extended and available in two widths. Max load: 340 Kgs

Order Code	Size
PDSRAMP01	230mm width
PDSRAMP04	280mm width

PDSRAMP01

PDSRAMP04

LOADING RAMP BAG

- Padded storage bag for Biketek loading ramp
- Zip closing with carry handles
- 116 x 24 x 16cm storage bag
- Suits 230mm wide ramp (PDSRAMP01)
- Ramp not included

Order Code: **PDSRAMP03**

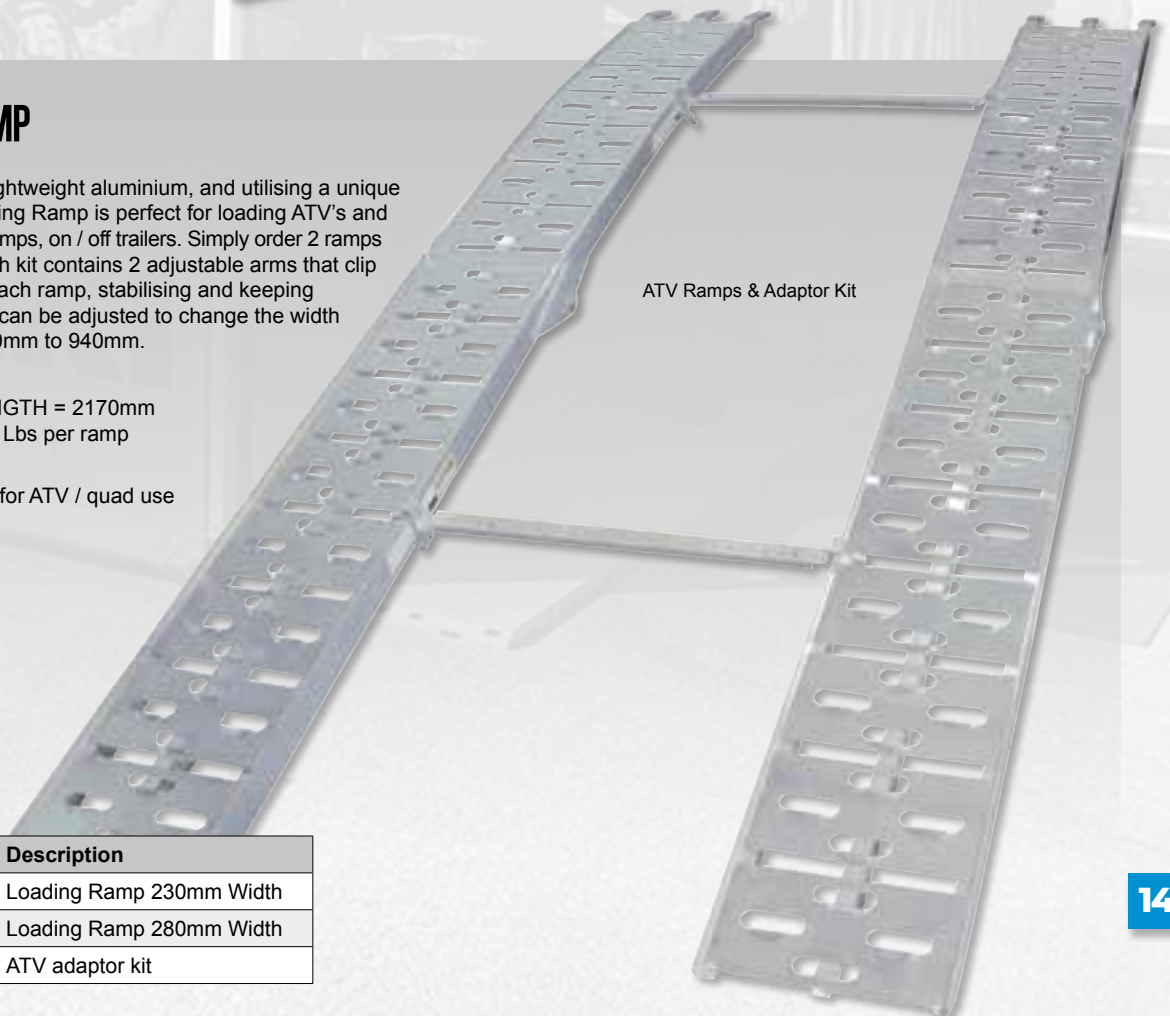

ATV LOADING RAMP

Constructed from ultra lightweight aluminium, and utilising a unique folding design, this Loading Ramp is perfect for loading ATV's and quads, when using two ramps, on / off trailers. Simply order 2 ramps and one adaptor kit. Each kit contains 2 adjustable arms that clip onto the inner struts of each ramp, stabilising and keeping them parallel. Each arm can be adjusted to change the width between ramps from 520mm to 940mm.

EXTENDED PLATE LENGTH = 2170mm
Max load: 340 Kgs / 750 Lbs per ramp

* Order 2 loading ramps for ATV / quad use

ATV Ramps & Adaptor Kit

Order Code	Description
PDSRAMP01*	Loading Ramp 230mm Width
PDSRAMP04*	Loading Ramp 280mm Width
PDSRAMP02	ATV adaptor kit

NEW RANGE

Our ever-popular BikeTek garage mat range has been revamped and expanded with an extra three ranges of graphics. Find a new design for every motorcycle, scooter and off-roader.

GP-PRO NYLON & BILLET THROTTLE TUBE SLEEVES

Nylon: OEM replacement throttle sleeves for the majority of off-road bikes. Manufactured from hard-wearing non-shatter reinforced Nylon which provide a smooth action

Aluminium: CNC machined billet throttle tube with sealed bearing & Teflon insert for easy & smooth throttle action

Model	Year	Nylon	Aluminium

MULTI-STAGE HANDLEBAR RISER KIT

Aluminium handlebar riser kits. Precision quality CNC machined components. Premium polished finish.

Features base mount, bar mount and three sizes of spacer. Includes three sets of M8 fitting bolts for various height options, 4 height options (+5mm, +10mm, +15mm, +30mm)

Uses the original bar top clamp
Available for 22.2mm and 28.6mm bar sizes

Order Code	Fitment
BARRIS08	22.2mm bar type (Standard bars)
BARRIS10	28.6mm bar type (Fatbars)

HANDLEBAR RISERS

Aluminium and CNC finished handlebar riser clamps, raises bar height by 30mm. Available for 22.2mm (Standard bars) and 28.6mm (Fat bars) bar clamps.

Order Code	Fitment
BARRIS02	28.6mm Fatbar
BARRIS04	22.2mm Standard

HANDLEBAR MOUNTING KIT

CR / KX style aluminium handlebar mounting clamps. Precision quality CNC machined base and top clamp sections. Premium polished finish. Includes all fittings. Available for 22.2mm and 28.6mm bar sizes.

Order Code	Fitment
BARRIS12	22.2mm bar type
BARRIS14	28.6mm bar type

28.6MM HANDLEBAR CLAMP CONVERSION

Aluminium and CNC finished handlebar clamp, converts 22.2mm bar clamps to wider 28.6mm size, enabling use of fat bars of 28.6mm diameter.

Order Code: **BARRIS06**

MOTOCROSS BAR END

Round 13.8mm alloy. Fits all 22mm / 7/8" bars with 14mm internal diameter. Pair

Order Code: **BEWMXCH**

ROTATING BAR CLAMPS

Fitting rotating bar clamps can prevent levers snapping on impact. Machined aluminium clamps feature a nylon inner sleeve which acts to allow the lever or master cylinder to rotate on the handlebar during a fall or knock. Supplied individually, each pack contains one clamp, nylon sleeve and two stainless steel bolts. Available in black or titanium finish

Order Code	Colour
LVRROT01	Titanium
LVRROT03	Black

TEFLON LEVER BRACKET SLEEVES

These hard-wearing Teflon sleeves fit between the handlebar and lever bracket mount. In a crash or fall the teflon sleeve allows the lever bracket to rotate on the bar, reducing risk of snapping the lever and mount.

Order Code: **LVRSLV03**

LONG VENT TUBES

Replacement fuel vent tubes in OEM colour. Inline one-way valve pipe prevents fuel spillage. use on all modern MX, Enduro and Trials bikes.

Features:

- 360mm Long
- 1 Way Valve to stop fuel from spilling
- Six different OEM colours
- Universal Fitment

Order Code	Colour
FFTVNT02	Blue
FFTVNT04	Green
FFTVNT06	Black
FFTVNT08	Red
FFTVNT10	Orange
FFTVNT12	Yellow

CLUTCH CABLE COVERS

Durable silicone sleeves fit around exposed clutch cable, prevents water, dirt and debris damaging cable. Available in five OEM colours.

Order Code	Colour
CLTCBL01	Blue
CLTCBL03	Green
CLTCBL05	Orange
CLTCBL07	Red
CLTCBL09	Yellow

NEOPRENE FORK GAITORS

Neoprene sleeves fit around off-road front forks. The sleeves prevent water, dirt and debris damaging the fork stanchions and entering fork dust seals. Supplied with cable ties for fitting. 5x36.5cm. Sold as pair.

Order Code: **FRKGTR10**

ALLOY FUEL VENT TUBES

One way valve for preventing fuel back flow from the fuel tank in the event of a fall. Keeps the fuel tank air ventilated, but does not let fuel out.

Order Code	Description
FCX06	Fuel cap vent valve card 10 (3 x Black, 2 x Silver, 2 x Red, 2 x Blue, 1 x Green)

FOAM GUARD

This versatile foam block can be attached to parts of off-road bikes (such as radiators) to prevent build up and sticking of mud and sand. Foam can be cut out to any required shape and size, simply fix with cable ties. Size: 33x33x4cm

Order Code: **FOA008**

GP-PRO SPOKE SHROUDS

Spoke shrouds are a cheap way of making your old wheels look like new again!! Spoke shrouds are pre-cut to fit 90% of all bikes. Minimal trimming will be necessary. GP Pro spoke shrouds are durable, long lasting covers for your dirt bike's front and rear spokes. GP Pro spoke shrouds come in a wide variety of colors.

Easy installation: GP Pro spoke shrouds can be installed in less than an hour without removing your wheels from your bike.

2 STROKE EXHAUST PROTECTOR SHIELD

Exhaust protector shield. Protects exhausts on motocross and trail style bikes from chipping and damage. Contours to the shape of the exhaust and attaches by 4 clamps which are included. 61cm long.

Order Code Colour
EXCPROBK Black
EXCPROS Silver

UNIVERSAL ENDURO, TRAIL & ATV CAN

Viper alloy sleeve can with carbon fibre end-cap, suitable for off-road use on enduro, trail and ATV bikes. With a standard inlet 51mm ID, the cans are easily mounted to original pipe work. A reducer kit is available separately to allow fitment to smaller pipework. The carbon fibre end cap neatly finishes the can ensuring that there is no protruding outlet, making the can suitable for track use. Also features a removable baffle.

Order Code	Description
EXC759	Stubby Oval Can (39cm) with carbon fibre end cap and removable baffle.
EXC701	Alloy Oval Stubby (39cm)
EXCRDC08	Exhaust inlet reducer kit includes 3 inter-changeable sleeves to allow exhaust fitment to narrower pipes. Minimum closure 44mm.

2 & 4 STROKE EXHAUST BUNG

Protects silencer and engine by stopping water running down through the exhaust during washing.

4 Stroke
Order Code: **EXHB001**

2 Stroke
Order Code: **EXHB003**

ADHESIVE HEAT SHIELD SHEET

Adhesive heat shield sheet for bodywork protection from engine and exhaust heat. Supplied as a 50x50cm sheet. Flexi aluminium top section, fibreglass inner with ultra-sticky adhesive backing.

Order Code: **STKHRT02**

50 x 50cm

EXHAUST PACKING SHEETS

The material is uniquely compressed and stitched together with a fine low temperature melting thread, which dissolves on contact with exhaust gas, releasing the compressed fibres to expand and fully fill chamber voids. Ideally suited for repacking non-uniform shaped cans such as oval and tri-oval, which can be tricky to repack correctly with standard materials.

Easy to use;

- Available in 3 lengths to suit most popular exhaust sizes (length can also be trimmed for precision)
- No need to use stainless steel wool to cover the perforated pipe
- Simply wrap sheet around the perforated pipe and cut to attain the required fill volume (each sheet is 1M wide)

Material benefits;

- Higher temperature resistance (up to 1000°C), eliminating need for s/s wool
- High resistance to High Pulse Compacting
- Increased sound absorption compared to traditional materials
- Improved thermal insulation - reduced need for internal or external heat shields
- More efficient than conventional needle mat or blown-in fibre products

Order Code	Size
EXCPCK350	350mm x 1M
EXCPCK400	400mm x 1M
EXCPCK450	450mm x 1M

Fibres expanded after thread has melted

SWIVEL EXHAUST SPRINGS

Swivel exhaust springs supplied in pairs, available in 57mm, 75mm, 83mm and 90mm lengths.

Order Code	Size
EXCSPR57	57mm
EXCSPR75	75mm
EXCSPR83	83mm
EXCSPR90	90mm

DART FAIRING HEADLIGHT

Universal fitting durable plastic fairing headlight. 12V 35/35W bulb with separate 12V 5W parking light. Four rubber fork-mounting brackets supplied

Fitting kit Included

LED SPOILER REAR LIGHT

Durable plastic universal spoiler, with three bolt fitting locations. Features 10mm indicator fitting mounts on side. Incorporates integral LED stop/tail light. Clear lens with red LEDs. 12v 0.2w. E-marked.

Order Code: **RLTLED18**

REAR FENDER LED REAR LIGHT SPOILER

Universal spoiler fits to rear fenders. Incorporates integral LED stop/tail light. Clear lens with red LEDs. 12v 0.2w. E-marked.

Order Code: **RLTLED11**

UNIVERSAL ENDURO STYLE REAR TRAIL LIGHT

Sturdy rubber housing ensures long life. Rubber number plate flap for plate mounting. Suitable for both 6v or 12v applications. Wired ready for use and simple to fit. 270mm x 175mm wide approx.

Order Code	Description
RLTEND	6v
RLTEND12	12v

FUEL MIXTURE SCREW

mixture Screw for Keihin FCR Carburetors

Designed to replace the standard hard to reach fuel screw to allow for quick and easy adjustments at the track.

Order Code: **TLSMIX11**

REAR BRAKE RESERVOIR

Replacement brake fluid reservoirs complete with internal stopper, screwcap, hose and clips.

- Fluid reservoir
- 45 degree outlet & Vertical outlet
- Internal stopper
- Screw cap
- Hose and clips
- Mounting point
- Outer diameter 30mm

Order Code: **BRKRES11** Description: 45 degree outlet
BRKRES18 Description: Vertical outlet

FUEL FILTERS

Highly Recommended For 2T & 4T MX/Trials/Enduro

Order Code	Description
FFTSTD	6mm regular size inline filter (Per card of 10)
FFTSQ	6mm square MRC type filter (Per card of 30)
FFT001	8mm inline filter (Per card of 10)

FFTSTD

FFT001

QUICK RELEASE FUEL LINE COUPLER

Simple in-line fuel hose coupler allows quick and safe removal of petrol tank without fuel spillage. Each end of the coupler features a valve mechanism which permits fuel flow when the coupler is secured, but instantly isolates the fuel when the coupler is released.

Order Code	Description
FLCP06	6mm fuel hose
FLCP08	8mm fuel hose

FUEL TAPS

Universal Inline Fuel Tap. The ideal solution to isolate the fuel supply on many petrol powered engines. Simple On/Off design. Simply splices into standard fuel hose.

Order Code	Description
FFTTAP09	Dual on/off positions 6mm, plastic body
FFTTAP11	Dual on/off positions 8mm, plastic body

FFTTAP09 - 6mm

FFTTAP11 - 8mm

FUEL HOSE & CLIPS

Order Code	Description
FUP6MM	7.5m / 25ft roll fuel hose for 6mm filters
FUP8MM	7.5m / 25ft roll fuel hose for 8mm filters
HOSCLIP7	Hose clips 7.8mm (Per 10)

10 PER PACK

7.5 METERS LONG

AVAILABLE IN 2 SIZES

UPPER FORK PROTECTOR GUARDS

Upper fork guards protect against stone chips and roost damage. Manufactured from high impact resistant plastic, these guards are simple to install with zip-ties included. Compatible with most forks from 50-60mm, the length can be trimmed using the moulded cut guide. Available in black, blue, orange and red

GRAB STRAPS

FRONT GRAB STRAP

Front fender straps are essential equipment for enduro events. Our unique design is a self supporting/semi-rigid solution, which is easy to use.

Fitment - Wrap one end of the strap around a fork leg directly under the lower triple-clamp. Re-thread the stainless buckles (making sure to feed the web back through the buckle to 'lock' it off).

Repeat on the other fork making sure the haul loop its passed over the top of front mud guard.

REAR GRAB STRAP

The fitting method for the rear strap are varied compared to the front strap. The basic idea is to install the strap around the rear sub-frame as easily as possible. Please Note: Some brands may require the rear fender or rear side panels to be cut slightly to allow the webbing to have the best possible fit and hold. If cutting holes in the plastic are required then a soldering iron is ideal to use.

PLEASE NOTE: KTM EXC/EXC-F & HUSQVARNA TE/FE fitment is to the plastic grab areas under the rear fender or seat which are situated slightly back from the end of the subframe.

FORK STROKE INDICATORS

A very simple but handy accessory. These fork indicators simply slide onto fork legs against the dust seal. As the forks compress the indicator is pushed up the leg, clearly showing fork performance.

FILTREX FOAM MX AIR FILTERS & AIR BOX COVERS

Air Filter: New from the Filtrex camp comes a range of replacement foam air filters for off-road applications. Featuring a double foam layer construction, the filter performs to allow maximum air flow in without sacrificing protection from particles and dirt. Resilient bonding agents prevents separation of foam components. Supplied non-oiled

Air Box Cover: Prevent water and cleansers from entering your intake when you clean your airbox. Tough, durable ABS plastic with a new, double-seal neoprene ring that compresses tight against the airbox for a perfect, leak-free fit. Includes mounting screw.

**FRONT FLOATING
BRAKE DISC**

Optimising performance with a more efficient area of pad contact compared to standard round discs. Laser cut from premium Japanese induction hardened stainless steel, diamond ground for the perfect finish, these discs not only look great but also offer lighter weight over standard OEM models. (All discs are sold individually).

For bike fitment use the PartsFinder online at www.bikeittrade.com

OFF-ROAD "OVERSIZE" FRONT FLOATING BRAKE DISC WITH CALIPER ADAPTOR

• 270/280mm Oversize front disc creates greater surface area for increased braking • Conversion adaptor kit included to relocate caliper • Wavy contour disc - optimises pad contact and performance • Premium Japanese induction hardened stainless steel • Laser cut for perfection and accuracy • Diamond ground finish

OFF-ROAD "FRONT" SOLID WAVY BRAKE DISC

Armstrong MX discs feature a unique wavy design, optimising performance with a more efficient area of pad contact. Manufactured from premium Japanese induction hardened stainless steel, each disc is laser cut to ensure greater perfection and accuracy than machine stamped discs. Diamond ground for the perfect finish. Armstrong MX wavy discs provide a lightweight performance product compared to OEM discs.

BRAKE DISC BOLT KIT

High quality OEM replacement brake disc bolt kits.

Order Code	Description
BOLRTR03	Honda Front Bolts / Nuts M6x19mm (6pcs)
BOLRTR06	Honda Rear Bolts / Nuts M6x19mm (4pcs)
BOLRTR09	KTM Bolts Front / Rear M6x13mm (6pcs)
BOLRTR12	Kawasaki / Suzuki Front Bolts M6x13mm (4pcs)
BOLRTR15	Kawasaki / Suzuki Rear Bolts M8x15mm (4pcs)
BOLRTR18	Yamaha Front Countersunk M6x12mm (6pcs)
BOLRTR21	Yamaha Rear Flange M6x16mm (6pcs)

ARMSTRONG BRAKE PAD CALIPER PINS

HEX HEAD - These are much easier to install and remove than the standard/original Allen Bolts which chew up.

Replacement Brake Pad Pins

These are the pins that hold your brake pads in place. Over time and constant use, the standard pin becomes rusty and worn causing the brake pads to stick and move.

Order Code	Description
BOLBRK14	R-Clip for KTM brake caliper pin (10pcs)
BOLBRK55	Brake caliper pin 55mm (1pc) carbon steel
BOLBRK56	Brake caliper pin 56mm KTM front (1pc) carbon steel with R-Clips
BOLBRK61	Brake caliper pin 61mm KTM rear (1pc) carbon steel with R-Clips
BOLBRK74	Brake caliper pin 74mm (1pc) carbon steel

BRAKE DISC DISPLAY PLINTHS

Alloy display plinths with ARMSTRONG printed logo. Plinth holds one MX solid disc or one front floating disc for retail display.

Order Code	Description
BKRPOS09	MX Solid Disc Plinth
BKRPOS11	Front Floating Disc Plinth

OFF ROAD HH SINTER BRAKE PADS

As used by Monster Energy Yamaha Racing MX Team, Armstrong Racing Off-Road disc pads utilise a sintered compound offering optimum properties at high and low speeds in off-road conditions, with excellent heat resistance and durability. Fully TUV approved and at competitively priced, the Armstrong HH Off-Road range is one that should be stocked with confidence. Armstrong Racing Disc Pads are proud OEM product sponsor to the Kawasaki Monster Energy DRT MX team in the FIM World MX Championship in both MX1 and MX2 classes.

AP RACING – THE SCIENCE OF FRICTION

For over 50 years AP Racing, the UK-based company, has been at the forefront of the motorsport industry, creating 2 and 4 wheel winners....

AP Racing's unparalleled experience in racing brake technology places them in a unique position to evaluate friction materials and brake pad performance both on dyno test beds and through rigorous track testing. AP Racing have pushed the boundaries of motorcycle brake system design to their limits with products supplied to MotoGP, World and National Superbike Championships, Supermoto and Sidecars.

AP Racing offers a comprehensive high performance aftermarket sinter and organic brake pad programme for motorbikes and scooters. Friction materials used in a brake system are a vital factor in the overall performance and safety of a system, therefore front and rear pads with specific friction compounds to cater for different braking requirements between front and rear calipers are essential.

All AP Racing motorcycle and scooter brake pads are made in Europe according to the highest and most demanding quality standards in this business.

OFF ROAD RACING MX - ORR SINTER BRAKE PADS

OFF ROAD RACING – SINTER

OFF ROAD – ORR

- Sinter formula
- Front and rear brake
- Off-road competition racing
- Powerful performance with great feel
- For OE cast iron and steel rotors
- Strong mechanical bonding between compound and backing plate

Triple S chains....

Premium high strength road & off road chains with excellent impact load resistance, designed specifically to withstand the stress found in road & off road applications these chains are the choice where combination of high strength, lightweight and maximum power transfer are important considerations.

Rigorous and extensive testing with British superbike teams and Cosworth Yamaha MXGP motocross team have given Triple S the knowledge to pass onto the customer a superb range of chains. The Triple S range of standard, heavy duty & O-ring chains are ready for enhanced performance right out of the box.

Triple S sprockets....

Replacement front and rear motorcycle sprockets for all road and off road applications. Every sprocket is machined and CNC manufactured to exacting standards and achieving closest possible tolerances to prolong sprocket and chain longevity. Heat treated high carbon steel ensures every sprocket offers great durability and performance.

HEAVY DUTY SOLID BUSH

Heavy Duty Solid Bush drive chains, available in 420 / 428 / 520 sizes. Upgrade chain to Standard and Heavy Duty types Solid bush chains utilise a solid bushing inside the roller, instead of the split bushing used in standard and heavy duty chains. This solid bush increases wear resistance and minimises chain elongation

Dimensions: 76cm x 54cm x 88cm

Removable internal workshelf

Order Code: **WSH002**

WSH001

WSH002

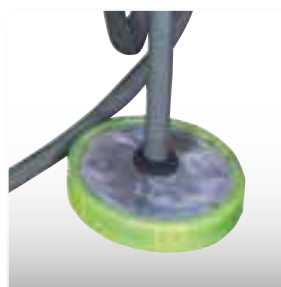

NB. Cleaning solvent NOT included.
Instructions detail correct specification
solvent to use.

REMOTE POWER WASHER

A superbly powerful washer which runs independently of mains electricity and mains water.
This unique function enables it to be used remotely at events and tracks.

- 2200 P.S.I / 154 Bar
- Interchangeable nozzles for spray options
- 7.5 Litre/min flow rate (2.0 gallons / min)
 - Efficient 4 stroke generator
 - Robust wash lance
- 8m high-pressure wash hose
- Steel tube frame with tube-type tyres
- Water-feed hose with immersible filter

Order Code: **WSH004**

Do not confuse this item with other versions commonly
available that need mains water and electricity supply.

BOOTS WASH STAND

The Biketek boots wash stand is designed for easy motocross boot washing. Set the boots upside down on the stand to wash with a high pressure washer or bucket of water. Easy to wash, keep the boots on the stand to dry. Optimal drying preventing of bacteria and unpleasant smells. Equipped with non-slip feet.

Order Code: **PDSBOT16**

WHEEL BRUSH

Tapered nylon bristle brush suitable for both general and wheel cleaning. Contoured easy-grip handle.

Order Code: **CLE038**

DETAIL BRUSH

Double bristled nylon brush suitable for both general and wheel cleaning. Contoured easy-grip handle.

Order Code: **CLE002**

3PC WORKSHOP BRUSH KIT

Set of three workshop brushes for effective cleaning and maintenance of motorcycle engine and frame parts. Includes one nylon bristle and two metal bristle brushes.

Order Code: **CLE050**

SPARE TRIGGER SPRAY HEAD

Replacement cleaner trigger spray head.

- 28mm neck fitment

Order Code: **CLE032**

MUD SCRAPE REMOVER

A robust plastic tool to remove mud and dirt from bikes.

- 38cm length with varied width contoured ends
- Smoothed edges to eliminate scratching

Order Code: **MUDBK**

2in1 MUD SCRAP & BRUSH SET

Features non-scratch scraper end for mud removal. Opposite end features shaped bristle brush for detail and wheel cleaning.

Order Code: **CLE052**

AEROSOL SPLASH GUARDS

Handy accessory to make lubricating clean and safe. Clip the guard onto the top of aerosol can to minimize unwanted spraying of chain wax and lubes on tyres and bodywork.

Order Code	Description

AUXILIARY FUEL TANK

- For use when tuning with fuel tank off bike
- Temporarily replaces fuel tank while synchronizing carbs
- Includes fuel line and in-line petcock
- Graduated fuel tank with hanging hook for gravity feed.

Order Code: **AUX008**

REPLACEMENT IN-LINE PETCOCK

Order Code: **AUX008P**

FUEL FUNNEL

2 pc plastic fuel funnel (funnel & extension pipe)

- Removable flexible stem
- Handle
- Gauze filter

Order Code: **SYP003**

FUEL & BRAKE LINE CLAMP

Lightweight, non-conductive, glass reinforced nylon. Particularly useful in workshops where clamps need to be left on brake lines or fuel lines for extended periods.

Order Code: **FLC**

FUEL SYPHON

Hand-pump syphon, simple and efficient for transfer of fuels and liquids. Use for transferring fuel or for tank draining.

Order Code: **SYP001**

QUICK FILL FUEL JUG - 10L

The 10 litre quick-fill jug with its unique dry-break coupling is the perfect container to transport fuel in.

- Pours 5 gallons in thirty eight seconds
- Fluids stop flowing after reaching the end of the spout automatically
- Just pull up and the valve shuts off fluid flow
- No vent to open and close or to leak when pouring
- Stops over filling and prevents spilling
- Very sturdy construction

Order Code	Description
JRCQCK03	White 10 litre
JRCQCK06	Blue 10 litre
JRCQCK12	Red 10 litre
JRCQCK09	Replacement spout nozzle
JRCQCK15	Stopper cap

QUICK FILL FUEL JUG - 20L

Workshop and track essential - 20 litre quick-delivery fuel jug with unique dry-break coupling, enables quick and simple refueling without spilling.

- Quick delivery nozzle
 - 36mm diameter nozzle fits most fuel tanks
 - Flow stops when tank is full
- Simple lift-up action valve shut off
 - Prevents over-filling and spillage
 - Safety lock to nozzle
- Double grip handled for support and simplicity
 - 20L capacity
- Durable impact resistant plastic
 - Litre graduation markings
 - Nozzle holder feature
- NB - not intended for longterm fuel storage

Description	Order Code
White 20 litre	JRCQCK21
Replacement spout nozzle	JRCQCK09
Stopper cap	JRCQCK15

BRAKE BLEEDING ASSISTOR KIT

Brake bleeding assistor kit utilises a compact unit with one-way valve and connector hoses that simply attach onto the bleed nipple. When the nipple is open and brakes bled, the unit prevents air and old fluid from being pulled back into the system, freeing the user from having to repeatedly open and close the bleed nipple.

Order Code: **BRKKIT01**

BRAKE BLEEDER/VACUUM PUMP

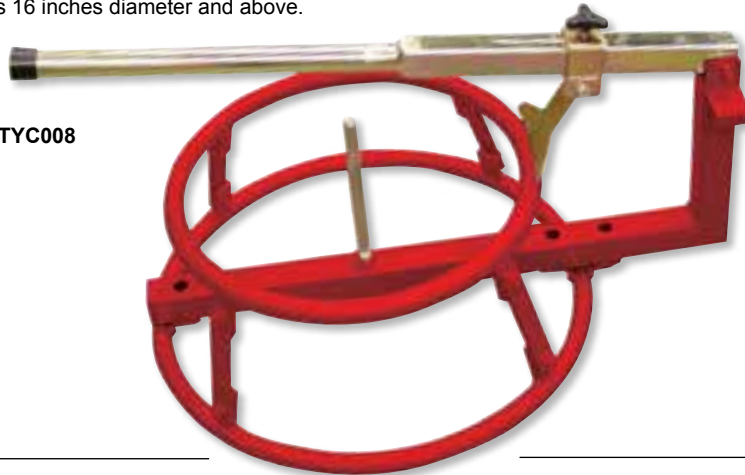

Comprehensive workshop vacuum pump kit. Includes reservoir and nipple adaptor for brake bleeding. The hand operated pump pulls the fluid through the bleed nipple, eliminating need to use the brake lever or pedal. Manual pump with pressure gauge allows testing of many vacuum operated systems, eg fuel pumps, carbs, etc.

Order Code: **BRKKIT07**

TYRE/BEAD BREAKER

Make tyre changing quick and simple with the Bike It Tyre Changer. Designed as a portable tyre fitting machine, it's the perfect accessory for any track day or the back of the van!. A long lever handle makes short work of any tyre whilst the heavy duty construction ensures it's up to the task in hand. The tyre changers design means it is suitable for all wheel and tyre sizes 16 inches diameter and above.

Order Code: **TYC008**

17"

RIM PROTECTORS

Rim protector for tyre changing. 2 pc with connecting cord.

Order Code: **RIMPROT**

BEAD BUDDY

Hook over spoke and push bead down on opposite side of tyre from tyre irons. No more fighting to keep bead down while installing tyres.

Order Code: **TYLCLP**

TYRE CRUSH TOOL

Long handled tool offers great leverage for tyre removal, forcing tyre beads off the rim.

Order Code: **TYC012**

STEEL TYRE VALVE PULLER WITH RUBBER PROTECTOR

Valve puller tool with rubber protector for safely pulling long or short valves into rims without damaging the valve or rim.

Order Code: **VLVINS**

AIR VALVE PULLER

Simplifies inner tube and tyre fitment, attaches to the valve enabling it to be pulled through the valve hole in wheel rim.

Order Code: **VLVPUL**

VALVE STEM TOOL

4 Way inner tube valve stem removal tool.

Order Code: **VLVTOOL**

SPARK & SPOKE WRENCH

Multi-function tool with 13mm/16mm spark plug spanner head, with opposite end featuring 3 size spoke key.

Order Code: **SPOWRE9**

SPOKE WRENCH SET

2 piece spoke wrench set (8,9,10,11)

Order Code: **SPOWRE**

SPOKE WRENCH

6-way spoke wrench, 1-6.

Order Code: **SPOWRE6**

AXLE BOLT PUNCH

Strong bolt punch specific for tapping out axle bolts.

Order Code: **TLSAXL13**

REAR AXLE NUT SPANNER

Order Code **TLSAXD04** Description 36mm offset rear axle nut spanner
Order Code **TLSAXD10** 32mm straight rear axle nut spanner

CO2 CANISTER KIT

CO2 tyre inflator kit, includes adaptor and two 16gram canisters. Replacement canisters available separately. Delivers pressure to tyre without manual effort.

Order Code **PMP005** Description CO2 canister kit
Order Code **PMP005R** Replacement CO2 canister

DIGITAL TYRE PRESSURE GAUGES

Selectable PSI and BAR settings. Pressure range 2-99 PSI, 0.15 - 7.00 BAR.

Order Code: **TGUDIG01** or **TGUDIG02**

OIL FILTER REMOVAL SCREW

Strong handled shaft with screw thread end, for removal of oil filter canisters.

Order Code: **OFWSCR**

ATV/QUAD PUNCTURE REPAIR KIT

The ATV kit comprises of 50 repair plugs, including tools and adhesives to repair the tyre on site. Complete with robust storage case, the kit should be kept on the vehicle at all times ready for any eventuality.

Order Code: **REM003**

PRO-PRESSURE TYRE MONITOR

- Easy-read analogue dial
- Displays PSI rating
- Pressure draw-off button for pressure accuracy
- Shock resistant

Order Code: **TGUANA01**

SILICONE MAGNETIC PARTS DISH

Strong magnetic parts dish keeps loose metal bolts, screws and fixings safe. Durable and collapsible silicone body

Order Code: **TLSMAG07**

MAGNETIC PARTS DISH

Strong magnetic parts dish keeps bolts, screws, washers etc*. secure, not on the floor!

Order Code: **TLSMAG01**

* Contents not included. Colours may vary,

WALL-MOUNT TOOL HOLDER

This tool holder features 20 plastic hanging loops allowing screwdrivers, spanners and other tools to be neatly hung on workshop wall. The holder has 2 drill holes for simple mounting to most vertical surfaces. (supplied with 2 mounting screws, but it is the users responsibility to ensure correct fixings are used for surface being attached to).

Order Code: **TLSHLD12**

FOAM KNEELING PAD

Durable foam kneeling pads, protects knees from floor whilst working around motorcycles.

Order Code: **FOAMPAD01**

3PC MAGNETIC TOOL HOLDER SET

A great addition to any tool shop or garage storage area. Keeps tools off the floor or work bench and within arms reach. Powerful magnets hold tools and other ferrous objects in place. Sizes: 8", 12", 18"

Order Code: **TLSMAG05**

PNEUMATIC CREEPER SEAT

Save your back and knees with this adjustable height creeper seat.

- 360 degree swivel castors
- Tool tray
- Adjustable seat height allows optimum positioning
- 55cm max seat height

Order Code: **CRP002**

GARAGE CREEPER SEAT

This durable Garage Creeper Seat makes working and moving around the garage or workshop comfortable and easy. The Garage Creeper comprises of a heavy-duty steel frame and features an optimum height padded seat in red and 360° swivel castors. Supplied ready for assembly with full, clear instructions.

Order Code: **CRP001**

JUMBO CREEPER SEAT

This durable jumbo Creeper Seat makes working and moving around the garage or workshop comfortable and easy. Oversized chromed tubing makes this creeper extra durable and strong. Comfy work for even the biggest lads.

Order Code: **CRP003**

PRO TORX/STAR KEY SET

This 170pc kit includes the perfect assortment of factory sized metric bolts, nuts, cotter pins, washers and specific hardware for Honda, Kawasaki, Suzuki and Yamaha off-road and MX bikes.

Order code: **BOLKIT09**

150 PC R-CLIP ASSORTMENT

A complete collection of replacement R-Clips in six sizes included in a plastic storage case.

Order Code: **ASST09**

ATV/QUAD HARDWARE KIT

This 188pc kit includes the perfect assortment of factory sized flange/allen/button bolts, nuts, screws, cotter pins and specific hardware for Honda, Kawasaki, Suzuki and Yamaha ATVs.

Order Code: **BOLKIT06**

141 PC RUBBER WASHER ASSORTMENT

Selection of rubber and fibre washers in a storage case.

Order Code: **ASST03**

MIXED 100 PC NYLON LOCKNUTS

Nylon insert works as a lock washer to keep fasteners secure in high-vibration applications. Zinc-plated to resist corrosion. Selection of 6, 8, 10, 12mm in a plastic storage case.

Order Code: **ASST06**

HOSE CLIP 10 PC

Hose clips 7.8mm (Per 10)

Order Code: **HOSCLIP7**

HANDLEBAR SUPPORT STRAPS

These nylon webbing 'Bar Support Straps' are perfect for securing your bike during transit. Slipping over the grips and across the handlebars they provide those illusive anchor points for tie down straps, keeping the front end of the bike straight and upright.

Order Code: **TIEBAR**

TIEDOWN SHROUDS - 25MM

Tiedown Shrouds. Protect plastics and frame from abrasion when using tie-downs. Bespoke neoprene sleeves wrap and fasten around the tiedown webbing strap. The shrouds can then be adjusted along the tie-down to contact points between bike and webbing.

Order Code: **TIE2SHR**

EASY LOOPS

Pair of 45cm long nylon tie down extensions, eliminates direct contact between metal tie down hooks and motorcycle. Prevents damage and scratching from metal hooks.

Order Code: **TIEEASY**

RATCHET HANDLEBAR TRANSIT STRAP

Nylon webbing strap with grip cuffs, fits across handlebars to secure bike in transit. Integral ratchet tiedowns with carabiner anchor hooks. Simple and effective way to secure a bike on trailer or in van.

Order Code: **TIEHBR02**

TIEDOWN ANCHOR RINGS

These anchor rings can be permanently bolted to fork clamps or other bike mounts, provides an anchor point for tiedown hooks to secure in transit. Supplied as pair

Order Code: **TIERNG01**

QUICK RELEASE TIEDOWN ANCHORS

This pair of stainless-steel anchors consist of 2 base mounting blocks and quick-release anchor-loops. The mounting blocks should be drilled to wood or metal surfaces, such as van floor, providing a sturdy fixing point for the quick-release anchors. The anchors attach by a simple but strong spring mechanism, ready to secure tie-down straps or ropes. When not in use, the anchor-loops can be easily removed.

Order Code: **TIE2ANC**

TIEDOWN CLAMPS - PAIR

Perfect solution for attaching tiedowns to tubing. Durable nylon hinged clamps fit over tubes such as handlebars and frames. Features anchor point to attach tiedowns. Supplied in pairs

Order Code: **TIECMP02**

TIEDOWN STRAPS

A selection of tiedown straps.

The task of loading a motorcycle into a vehicle or trailer can be easy or a nightmare, depending on if a rider has the right tools for the job. Bike It lends a hand with its range of tie downs. Our simple tie down systems will help riders transport any type of motorcycle, dirt or street. Available in varying webbing sizes, ratchet and auto-lock combinations.

Order Code	Qty	Type	Colour	Breaking Strength	Hook
TIE2AUTO	2	Autolock 1.8m x 25mm	Red	400kgs	S
TIE4AUTO	4	Autolock 1.8m x 25mm	Red	400kgs	S
TIE2RAT	2	Ratchet 5m x 25mm	Blue	500kgs	S
TIE4RAT	4	Ratchet 5m x 25mm	Blue	500kgs	S
TIE2ECN	2	Autolock 1.8m x 25mm	Red	400kgs	S

AIRCRAFT FLOOR TRACKING SYSTEM

Provides versatile anchor point solutions in vans and on trailers. Simply locate runner strips on flooring in desired locations, and use ring-bolts to create anchor points for tie-downs and strapping. Fixed location anchor points also available. Ring-bolts are removable when not in use.

Order Code	Description
TIERUN02	Tracking Runner Strip 50cm (1pc)
TIERUN04	Ring Bolt for Runner Strip / Anchor Point (1pc)
TIERUN06	Square anchor point (1pc)
TIERUN08	Round anchor point (1pc)

MICRO TIEDOWN STRAPS

Ideal for when you are transporting your bike to and from the track. These TUV approved micro webbing straps have an auto locking mechanism which is ideal for holding down your bike in a van or trailer.

- 25mm wide, 2.5m long
- 200kgs capacity
- Supplied in pairs

Order Code: **TIE2MIC**

LEVER JAMMER

Lever Jammer is for use when transporting motorcycles, locking the front brake of the bike to prevent movement of the front wheel when on a truck or van. The Lever Jammer, a strong neoprene strap with D-clip, wraps around the throttle grip and closed brake lever and secures to keep the lever depressed and front brake locked on. Lever Jammers should be used in conjunction with other securing products such as tie-down straps and shrouds.

Order Code: **LEVJAM**

LEVER JAMMER 2

Additional securing device for use when transporting motorcycles. The jammer attaches over the brake lever and throttle grip, engaging the front brake of the motorbike. Prevents movement of the front wheel whilst being transported.

Order Code: **LEVJMR**

HOUR METERS

Hour meters record the actual running time of an engine to encourage correct servicing at regular intervals. The meter is accumulative and data is non-erasable.

- Works on any petrol engine, 2 or 4 stroke
- Low power consumption
- Easy installation
- Waterproof to IP68 standard
- Records and displays up to 99999 RPM (hour/tachometer) and 9999.9 hours (hour meter and hour/tachometer)
- Up to 2 year battery life, 17500 hours of standby time

Order Code	Description
MTR002	Hour meter
MTR004	Hour/tacho

WIRELESS HOUR METER

- Works on any petrol engine, 2 or 4 stroke
- No power required - battery sealed inside
- Easy installation - no wiring needed
- Waterproof to IP68 standard
- Lock function to prevent time usage during transport

Order Code	Description
MTR006	Wireless hour meter

MOTORSPORTS STOPWATCH

Professional sports timing unit. Includes all features needed for professional time management and logging

- 1/100th precision stopwatch
- 10 hour timing capacity
- 50 lap memory
- Average, fastest and slowest laps display
- Count-up/count-down timer with repetition
- Counter
- Pace alarm
- 12/24hr time and calendar displays, with alarm
- LCD "in-focus" display
- Ergonomic shell with neckstrap
- Water and shock resistant

Order Code: **LCDSTP16**

BIKE IT GPS LAP TIMER

- Laptimer using GPS tracking
- Accurate and precise logging of track, speed and distance
- 3 mode options; Lap / Drag / Sector
- Simple to input track, sector or drag start/finish points
- MPH / KMH selectable
- Oversize backlit LCD display module
- GPS antenna module with integral connector lead
- 20 hours continuous use
- 2 hours charge time by USB lead (included)
- Adhesive velcro mounting patch
- 10hz chip
- Display module 73x50x16mm

Order Code: **TIM017**

INDOOR STRETCH DUST COVER

Premium Indoor motorcycle cover with 4-way stretch material for optimum fit.

- Breathable stretch fabric
- Protects bodywork from dust, dirt and abrasions
- Elasticated hem
- Only use after bike has cooled

Order Code	Description
RCOIDR07	Large – 125cc - 500cc

ATV COVER

- Polyester construction
- Shape to fit styling
- Aluminised lower section to prevent exhaust melt
- Anti-condensation ventilators
- Fitted elasticated bottom seam
- Tie-down grommets and "under ATV" securing elastic
- Storage bag

Order Code	Description
RCOATV01	Small – 50–250cc
RCOATV02	Large – 250+ cc

The Armadillo shelter is a unique folding design fabric structure to keep your motorcycle clean and protected from the elements. Sturdy metal frame fitted with 600D waterproof cover housing, folds open and closed for easy access. Allows motorcycles to be stored freely without material contact. Two security locking mechanisms enables shelter to be locked shut (requires padlocks, not supplied). Easy to assemble, and can be permanently fixed to concrete floor with the included expander bolts.

- Armadillo fabric shelter
- Unique folding design
- Keeps motorcycle clean and protected
- Folds open and closed for easy access
- 600D waterproof cover
- Sturdy metal frame
- Store motorcycles without material contact
- Security locking mechanisms (requires padlocks, not supplied)
- Easy to assemble
- Can be permanently fixed to concrete floor (expander bolts included)
- Replacement covers also available

Available in three different sizes.

Order Code	Description
RCOGRG02	Small (270cm x 105cm x 155cm)
RCOGRG04	Medium (283cm x 105cm x 155cm)
RCOGRG06	Large (345cm x 137cm x 190cm)
RCOGRG14	Replacement Cover Small
RCOGRG16	Replacement Cover Medium
RCOGRG18	Replacement Cover Large

SKYRICH LITHIUM ION BATTERIES

- **ULTRA-LIGHTWEIGHT** - weighs just 1/3 of equivalent lead-acid battery
- **SUPER CRANKING POWER** - cranking current greater than 4 times a lead acid battery
- **FAST RECHARGE** - premium charge acceptance 90% within 6 minutes
- **ENVIRONMENTALLY FRIENDLY** - contains no heavy metals such as lead, cadmium or mercury
- **NON-SPILLING** - contains no acid
- **EXCELLENT CYCLE LIFE** - 2000+ charging cycles for longevity
- **READY TO INSTALL** - requires no commissioning
- **VERSATILE MOUNTING** - can be installed in any position

SKYRICH BATTERIES ARE OFFICIAL OEM SUPPLIERS FOR

Skyrich Lithium Ion

B2B WEBSITE

www.bikeittrade.com

A totally revamped B2B website, specifically developed for our dealer network to simplify product selection, increase order efficiency and maximise sales.

With more than **15,000 SKU's** and **30 brands**, our new B2B website has been commissioned to make the full Bike It product range easily viewable and accessible to our customers, creating a resource which dealers can use daily to quickly identify product, build baskets and submit orders efficiently.

Product categorisation has been fully restructured and simplified between **ROAD** and **OFFROAD** products, also by **SERVICING PARTS** and **ACCESSORIES**, making navigation around the site simpler and more effective.

Utilising the new **NUMBER PLATE LOOKUP** and **VEHICLE SELECTION** functions, dealers can speedily find all products relevant to a specific motorcycle allowing them to prepare for scheduled workshop services and repairs. These functions can also be used to show visiting customers in-store all parts and accessories available from the Bike It range for specific motorcycles.

A new versatile SKU search facility enables dealers to quickly spot-check products by order code to find key information about Product Details, Cross Reference with OEM and alternative codes, plus motorcycle Model Fitment.

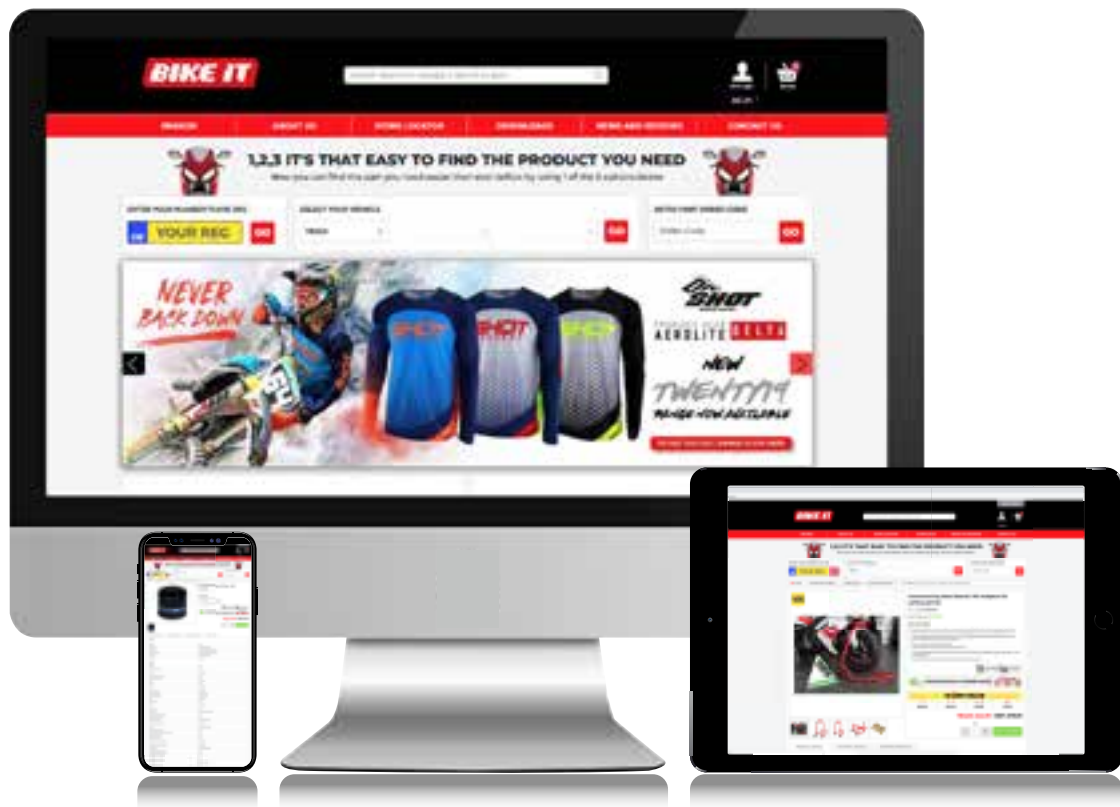

Whether using this function to check what a part in stock fits, confirming compatibility or cross-reference from OEM product, this SKU search ensures all required information is easily and readily at hand.

Newly implemented sales promotion functions will offer dealers the opportunities to access specific promotional products including Coupon Promotions and a dedicated SmartValue range.

These exclusive online promotions will be updated ongoing and enable dealers a fantastic opportunity to buy at the very best price.

With dedicated Downloads and News & Reviews areas our dealers can keep fully updated on new products and updates as they are released and access archives. Together with copies of news articles and reviews, brand partner news and race results from our sponsored race partners, this is a resource that dealers will find extremely useful.

Ask your Account Manager today for a presentation and demonstration...
