## TRIPLE BLACK NEW ADVENTURE PANT

From adventure riding to the everyday commute. The Bike It 'Triple Black' pant has been years in development. Designed to offer the very best performance, features and comfort for hours of in-saddle comfort and practicality.

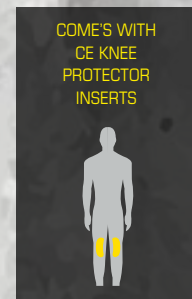

The Triple Black pant, made from BikerTex, our own specially crafted material offers great protection, wear resistance and comfort for all-day wear. Overlaid with additional protective layers on the high impact and abrasion areas to enhance durability and protection.

A removable quilted thermal liner and ClimaTech waterproof technology combine together to offer superb all-season performance, no matter the weather. Hardwearing YKK zips are used throughout the pant to ensure durability. Stretch motion panels feature on the sides and at the rear to allow a comfortable and flexible fit with velcro adjustment tabs at the front and back offer additional tailoring. A 200mm zipper at the rear allows jacket connectivity to secure the pant to an accompanying jacket. Two large upper pockets, popper closing, offer great versatility and are specially angled to ensure they remain closed whilst riding.

## BURHOU NEW ADVENTURE TOURING PANT

The 'Burhou' waterproof motorcycle pant perfectly compliments the matching 'Burhou' jacket. Whilst its design may look simple, its simplicity disguises its many technical features that have been designed specifically for the touring/adventure rider in mind though is equally at home for those setting out on the daily commute too.

Made from BikerTex, our own specially crafted material that ensures maximum strength, stretch and durability throughout the pant. Overlaid with additional protective layers on the high impact and abrasion areas to enhance durability and protection.

A removable quilted thermal lining offers sublime comfort for day-long rides and wear, whatever the season, whilst ClimaTech waterproof technology ensures all-weather performance and protection too. Stretch motion panelling at the side and rear allow a comfortable and flexible fit with waist adjustment velcro tabs for additional tailoring. A 200mm zipper at the rear allows jacket connectivity to secure the pant to an accompanying jacket. Finished off with two large thigh pockets and 2 smaller upper pockets, that offer versatility and storage for on-the-go riding essentials and that's been specially angled to ensure they remain closed whilst riding. Reflective piping around the thigh pockets add additional styling and side visibility at night.

## TRIPLE BLACK NEW ADVENTURE JACKET

The top of the line, the Bike It Triple Black Adventure Jacket. Our tier 1, most feature-packed jacket is now available, following years of testing and development, this brand new release is designed for all-year-round riding comfort and performance.

Bike It knew it could do better, so set its sights on creating a new, class-leading, entry-level, feature-packed, jacket and all at a great price. Made from our own special blend of reinforced BikerTex fabrics, it ensures maximum strength, stretch and durability. Bikes It's own "ClimaTECH" waterproof technology further enhances the Triple Black jacket.

Lined with quick-drying material designed to remove sweat and moisture then enhanced further with a fully removable 300gm quilted thermal lining that adds warmth and breathability, to the ultimate all-seasons jacket.

The jacket comes with an internal pouch for a back protector, a large rear butt pouch and two front pockets too on the outer shell, ideal for keeping and storing your on-the-go essentials with additional internal pockets too for phones, keys and wallets too.

Zipper, adjustable vents on the chest and back, allow maximum airflow in, through and out of the jacket, with rubberised waterproof YKK zips and pulls for easy adjustment.

Velcro adjustable and a stretch panelling at the waist help to tailor the fit to the rider, working in tandem with sleeve adjusters to ensure comfort. The collar tucks under the helmet to protect the neck from wind and rain. Finally, a 1/4th length connecting zipper offers connection to the Triple Black Trousers and on a belt adapter for connecting to riding jeans. The 'Triple Black' is our ultimate all-season motorcycle adventure jacket!

## UTG NEW ULTIMATE TRACK GLOVE

The Bike It 'Ultimate Track Glove' (UTG) takes glove comfort and design a big step forward, built to perform under all track/street conditions and provide the rider with the protection and feel they need whilst on track.

With so many options out in the market already for hand protection, the challenge for Bike It was to bring something new to market, innovate and develop the right product to meet the riders of tomorrow's needs, to that end the 'Ultimate Track Glove' was created and meets the riggers of the track use as well as the road,

The black lightweight leather, that's exceptionally supple, gives the glove its comfort and core strength. The glove is further enhanced with specifically placed knuckle and palm armour offering protection and ventilation where it's most needed.

Kangaroo hide was chosen for the palm side of the glove, for its superior strength and enhanced finger feel, crucial for optimum bike, brake and throttle control under all conditions.

An armoured wrist section finishes the gloves, designed to go over the top of your jacket offers extra support and cushioning.
